BLUE JAYS BASEBALL ACADEMY

JAYS CARE FOUNDATION

BLUE JAYS HONDA SUPER CAMPS:

The Blue Jays Baseball Academy will host 17 Blue Jays Honda Super Camps in 2015. The three-day baseball camps take place in 10 Canadian provinces, and are open to participants ages 9-16. The camps teach the baseball fundamentals of hitting, fielding, pitching and base running. Instructors include: Roberto Alomar, Duane Ward, Jesse Barfield, Homer Bush and Devon White. The camps run from 9 a.m. to 1 p.m. at a cost of $230. Registration will be available on www.bluejays.com/camps and is limited to the first 150 registrants. In addition, working with local Boys & Girls Clubs, the Toronto Blue Jays, through Jays Care Foundation, will donate registration fees for a select number of players in each of the camps to help remove barriers to participation. The Toronto Chapter of the Baseball Writers of America Association (BBWAA) will also donate registration fees for a select number of children. Blue Jays Honda Super Camps are conducted in partnership with Baseball Canada and Little League Canada.

BLUE JAYS HONDA INSTRUCTIONAL CLINICS:

The Blue Jays Baseball Academy will host 30 Blue Jays Honda Instructional Clinics in 2015. These one-day baseball clinics take place across Ontario and are open to players ages 8-14 of all abilities. Blue Jays Baseball Academy instructors focus on teaching baseball players the fundamentals of baseball. Each participant will receive a Blue Jays hat, t-shirt, and a Baseball Academy program. The cost for the clinic is $40 and half of the revenue is donated back to the host association. More than $60,000 was donated to Ontario-based organizations in 2014. To sign up for a Blue Jays Honda Instructional Clinic, visit www.bluejays.com/clinics.

BLUE JAYS NATIONAL COACHING CLINIC:

The Blue Jays Baseball Academy will be hosting its annual National Coaches Clinic in January 2016. Coaches from across Canada are encouraged to attend the weekend-long clinic, and learn how to apply the concepts of pitching, catching, hitting and fielding in practice. Baseball Canada will provide professional development credit for each of the modules the coaches attend, and host four NCCP Instructor Beginner Context Modules, including: base running, in-fielding, out-fielding and hitting. At a cost of $150 per participant, the Coaches Clinic will offer participants specialized insight into body mechanics, drills and game strategies.

TOURNAMENT 12:

The Toronto Blue Jays are excited to host their third annual, national, amateur tournament, Tournament 12, at Rogers Centre in September 2015. The goal of the tournament is to showcase the best college-eligible amateur baseball players in the country to professional scouts from all teams and educational institutions across North America. The tournament will feature eight teams from across Canada, as well as a Blue Jays Scout Team comprised of players from coast to coast. Legendary Blue Jays Hall of Famer, Roberto Alomar, will act as the Honorary Tournament Commissioner.

The Blue Jays Baseball Academy Rookie league program is provided free-of-charge to all participants. In addition to providing youth employment opportunities and training coaches, Rookie League is a program that uses the game of baseball as a foundation to teach children the importance of team work, cooperation and self-esteem. Toronto Blue Jays players serve as Honourary Captains for each of the Rookie League divisions and all program sites are equipped with t-shirts, hats, baseball equipment and coaching support to facilitate programming. In 2014, Rookie League reached 8,000 children and youth across Canada.

In 2015, Rookie League is celebrating its 27th season, and will continue to break barriers to organized sport for more than 8,000 children and youth in 140 communities from coast to coast.

FIELD OF DREAMS:

Jays Care Foundation Field of Dreams grants aim to build and develop safe spaces where children and youth can play baseball, spend time with their friends, develop life-skills and learn from positive role models. Since 2000, Jays Care has invested more than $5 million in 54 Field of Dreams projects across Canada, including the creation/refurbishment of 27 baseball fields.

In 2014, Jays Care disbursed over $1.2 million in Field of Dreams funding to 12 charitable and community groups from coast to coast and opened four youth spaces, providing access for more than 7,000 children and youth across Canada.

KIDSPORT:

In 2014, Jays Care and KidSport Canada partnered to remove financial barriers to get kids to participate in the game of baseball. In 2014, this partnership provided 500 season of baseball for deserving Canadian kids, a roughly 25% increase in KidSport baseball grants across Canada from the previous year. This partnership will continue to bring baseball to Canadian children and youth in 2015 with a $100,000 investment from Jays Care. Visit bluejays.com/kidsport for more information.

NAME THE TEAM CONTEST

The Blue Jays were named in a contest conducted in June and July of 1976. Over 30,000 individual entries were received, suggesting over 4,000 names for the new American League club. From the list of names submitted, specially-appointed panels of judges selected ten names to submit to the Board of Directors. The Directors chose the name "Blue Jays" from that list and announced their decision on August 12th, at which time the team officially became the Toronto Blue Jays Baseball Club.

A total of 154 people submitted the name "Blue Jays" and a drawing was held to select a grand prize winner from those who submitted the name. Dr. William Mills of Etobicoke, Ontario, won a pair of season tickets for 1977 and an all-expenses paid trip for himself and his family to watch the Blue Jays at spring training in Dunedin, Florida. Nine runners-up also won season tickets.

A WORK HORSE

For **Mark Buehrle**, 2014 represented his 14th consecutive season surpassing the 200 inning plateau...Extended his streak of 10+ wins, 30+ starts & 200+ innings to 14 seasons representing the longest active streak in the Majors...The last pitchers to throw more than 14 consecutive seasons of 200+ innings were **Don Sutton** & **Gaylord Perry** who each recorded 15 from 1966-80...Each streak was ended by the 1981 strike...Also marks his 14th consecutive season with 200+ IP, 10+ wins & 30+ starts, the longest active streak in the Majors & 1st since Perry had 15 through 1980.

Mark Buehrle is the only pitcher in Major League history to record a streak of 14 seasons with more than 200.0 innings pitched & 61 walks or fewer, passing **Cy Young** who did so in 13 straight seasons from 1897-1907.

PERSONAL:

- Edwin Elpidio Encarnacion (@encadwin).
- Attended Manuel Toro High School in Caguas, Puerto Rico.
- In three consecutive seasons participated in Major League Baseball's All-Star Futures Game (2003-05).

LAST SEASON:

- Prior to May 1, hit .250 with 2-HR, 15-RBI & .747 OPS in 27 games... In his 92 games following that date he hit 31-HR, 74-RBI & .948 OPS.
- Recorded at least 20-2B and 25-HR for the 3rd straight season.
- Earned his second consecutive All-Star honour, but did not play due to injury.
- Finished the season with 158 career HR for TOR, placing him 7th on the club's all-time HR list, and now sits 21 HR shy of Jesse Barfield (179) for 6th place.
- From May 15-29, had 12 HR in 14G... It was just the 5th time since 2001 that someone has hit 12-HR in 14G (Troy Tulowitzki-2010, Ryan Howard-2006, Sammy Sosa & Barry Bonds in 2001)... Had four multi-HR games over that time (14G), becoming just the 5th player in MLB history to accomplish that feat in that time... During that stretch, he also had 10HR in 11G (5/18-29).
- Had 16 HR in May (1st in ML) and 33 RBI (2nd in ML)...His 22 XBH ranked 1st in ML...The 16 HR in May set a new franchise record for most in a calendar month (Bautista, 14 in June 2012)...The 33 RBI in May is a career-high for most RBI in a month, also sets a new Blue Jays record for most RBI in May surpassing George Bell's mark of 31 in 1987... Is the 1st player to hit 14+ HR in May in one season after hitting no more than 2-HR that year through the end of April.
- He led the Majors in May with 16-HR, 22-XBH, .763 SLG & 2nd with 33-RBI...The 16-HR in May was the most by any player in the month of May since Barry Bonds hit a ML record 17-HR in 2001...It is also T-2nd on the all-time MLB list with Mickey Mantle (1956) & Mark McGwire (1998)...The 16-HR was the most hit in any month since Sammy Sosa hit 17-HR in August, 2001.
- The 33-RBI recorded in May by Edwin was the most in club history for that month & was one shy of the franchise mark in any calendar month held by Carlos Delgado (34-RBI in June, 2003).
- The 22-XBH in the month of May was the most recorded in this month by any Jay in franchise history...The 22-XBH is T-2nd most in any month in TOR history with John Olerud (June, 1993) & Joe Carter (June, 1991).
- No other player in ML history who hit fewer than 3-HR during April, reached the 20-HR mark as quickly as he did...By hitting his 20th HR on June 9, he surpassed the previous record by two days & that mark was a part of baseball history...Roger Maris hit only 1-HR in April 1961, but he hit his 20th on June 11 en route to a record-breaking total of 61 for the season.
- His home run on July 2 was the team's lone walk-off HR of the year.
- Record his 5th multi-HR game in May over a 21-game span on May 29 vs. KC...The five multi-homer games tied an MLB record for most multi-HR games in any calendar month (Albert Belle: Sept., 1995 & Harmon Killebrew: May, 1959)... Finished the season with six multi-HR games...Connected for his 6th multi-home run game of the year (17th career) June 20 at CIN...His 6-RBI in the game set a new career-high.
- Was named as AL Player of the Week (May 5-11), his 4th career weekly honour and 3rd as a Blue Jay...Over those seven games, hit .321 (9-28) with 7-XBH (2-2B, 1-3B, 4-HR)...It marks the 3rd time he has won this award as a Blue Jay (Sept. 27-Oct. 3, 2010 & July 22-28, 2013).
- Hit a 3B & a HR in the 7th inning becoming the 1st Blue Jay to accomplish the feat in the same inning May 7 at PHI...Was the 1st player in the Majors to do that since Luis Rivas of CLE at SEA on Sept. 26, 2007 (GM 1 of DH)...Is the 12th player since 1974 to have a 3B & HR in the same inning...Only player in club history to have recorded 2-XBH in the same inning twice (last: July 26, 2013 vs. HOU, 2-HR)...Was the 13th time in club history that this has happened.
- Was on disabled list from July 7-Aug.15 with a strained right quadriceps...In the 33 games he was absent team posted a 16-17 record.
- Set a new career-high with 4-BB Sept. 2 at TB.

Became one of 16 Australian-born pitchers to win a major league game.
- Made his **first career start** Sept. 6, 2011 vs. CWS... Despite suffering the loss, pitched 7.0 innings, allowing three runs on four hits.

- Over his last seven starts fanned 57 to rank 3rd in the AL...His 12.61 K/9 total over that span was 1st in the Majors.
- Over his last five home starts went 4-0 with a 1.36 ERA, fanning 11.5 per nine and limiting opponents to a .147 average.

- Participated in the 2015 Blue Jays Winter Tour.

LAST SEASON:

- Made 20 starts in his rookie season... Joined the club on May 4 and made five appearances in relief (**ML debut** at PIT on May 4) before being optioned on May 18...Was recalled to make his ML debut as a starter on May 31 vs. KC and remained in the rotation for the balance of the season.
- As a starter went 10-6 with a 3.29 ERA... Overall, 14 of his 20 starts were quality starts which was 3rd on the club...Went at least six innings with 2 ER or less in 13 of 20 and 3 ER or less in 15 of 20.
- Posted a 53.8 GB%, which would have ranked him 6th in AL had he enough IP to qualify.
- Gave up just two home runs over his final 13 appearances (12 starts) totalling 77.1 innings... In fact allowed just 0.45 HR/9 as a starter, the best figure on the staff... Only Garrett Richards with a 0.29 HR/9 had a better number in the AL among qualifiers.
- Earned three consecutive victories from July 19-29, allowing just one run over 21.0 IP...Included was a one-hit, seven inning performance vs. Boston on July 24 at Rogers Centre... Is just the 5th rookie pitcher in the ML to accomplish the feat since 1990 (last: Francisco Liriano in 2006).
- Picked up his 1st Major League victory on May 6 at PHI...Entered in the 9th inning of a 5-5 tie, holding the Phillies scoreless... Jays would add one in 10th for a 6-5 win.
- In his ML debut as a starter May 31 vs. KC picked up his 2nd career win with six innings of one-run ball (12-2 win).
- Began the season in Buffalo making seven starts posting a 2-4 record with a 3.03 ERA... Walked more than one batter on just one occasion and allowed just one home run all season... Fanned 45 batters in 35.2 innings and owned a 5:1 strikeout to walk ratio... Opponents hit .239 at AAA with RH batters being limited to a .218 mark... Of his 32 hits allowed, just three went for extra bases (2-2B, HR)...Prior to his first recall tossed six no-hit innings vs. Louisville, adding 10 strikeouts.
- Among rookies ranked T-4th in wins (11) and 3rd in winning pct. (.647) despite ranking only T-10th in starts (20)... His .625 winning pct. as a starter is the highest in club history (Chacin (05) and Romero (09) both posted a .591 pct at 13-9)... His 11 wins as a rookie are the most by a Blue Jay since Ricky Romero won 13 in 2009 and is 5th most in team history.
- Became just the 9th TOR rookie to throw a ShO of at least 9.0 IP (last: Dave Bush on Oct. 1, 2004 vs. NYY-2H) vs. the Cubs on Sept. 8...Is just the 2nd TOR rookie to toss a ShO without walking a batter (Halladay-Sept. 27, 1998 vs. DET)... Is the 6th different TOR rookie to record at least two, 9.0 IP outings in the same season (1st since John Cerutti, 1986)... The others are Jerry Garvin (9x, 1977), Jim Clancy (3x, 1977), Dave Stieb (6x, 1979), Phil Huffman (2x, 1979) & John Cerutti (2x, 1986).

- Was one of three Blue Jays to post 6+ strikeouts with zero walks in their 1st career MLB start, joining Jose Nunez (11K/0BB) vs. KC on 7/9/87 and Brett Cecil (6K/0BB) vs. CLE on 5/5/09.

TORONTO BLUE JAYS HISTORY

ROBERTO ALOMAR

HISTORY OF THE TORONTO BLUE JAYS™

1977 – First Pitch: *On April 7, 1977, 44,649 fans brave snow and freezing temperatures as the Blue Jays play their first ever regular season game, a 9-5 win over the Chicago White Sox at Exhibition Stadium.*

1970s

The City of Toronto is awarded a franchise in the American League on March 26, 1976 and name Peter Bavasi Executive Vice-President and General Manager on June 18. On August 12, the "Blue Jays" are selected by Directors from over 4,000 names and 30,000 entries in a "Name the Team" contest. Roy Hartsfield becomes the first on-field manager and catcher Phil Roof is purchased from the Chicago White Sox becoming the first player in franchise history.

On March 11, 1977 the Blue Jays play in their first spring training game, defeating the New York Mets in Dunedin, Florida by a 3-1 score. On April 7, 1977, 44,649 fans brave snow and freezing temperatures as the Blue Jays win their first ever regular season game 9-5 over the Chicago White Sox. Doug Ault becomes an instant hero hitting two home runs in the contest. In their inaugural season, highlights include a 19-3 win over the Yankees, with Roy Howell collecting nine RBI, while the home attendance of 1,701,052 sets a record for attendance by a first year expansion club.

Over the next two seasons in 1978-79 the Blue Jays see several firsts. Jim Clancy gets the 4-2 victory in front of 44,327 fans, which is marked by the pitcher starting the first Triple Play in franchise history. On June 26, 1978 the Blue Jays explode for a franchise high 24 runs. Bobby Mattick becomes the team's second manager on October 18, 1979. For his performance in 1979, SS Alfredo Griffin is named co-winner of the AL Rookie of the Year Award. From December 2-7 Toronto plays host to the Winter Meetings, the first held outside the United States.

1980s

The decade of the 1980's represented another birth for the franchise, as by the end of the decade the club rose from an expansion team to formidable AL East contender. Still in the early years in 1980 the club set a franchise record with 67 victories while pushing attendance past six million, an expansion record. Field manager Bobby Cox takes over the reins in 1982 and leads the club to new heights in his four years as manager. 1982 saw the club climb out of the basement for the first time in its history, winning 78 games finishing in a tie for 6th with Cleveland.

1983 marks a significant time as the Blue Jays finish over .500 for the first time in franchise history with an 89-73 record, good for 4th place only nine games out of first. Notable performances include the first 100 RBI season by a Blue Jay (Willie Upshaw) and first 100 run scored season (Lloyd Moseby). The Blue Jays become only the second team in league history to win Player of the Week honours in three consecutive weeks, when Luis Leal, Dave Stieb and Lloyd Moseby turned the trick in May. The enthusiasm for the club continues to build as a club record 9,104 season tickets are sold for the 1984 season. They see a club that marches up the standings for a second place finish at 89-73 solidifying their position as AL East contenders. Over the course of the season the Blue Jays would win 19 one-run contests in a row, while Cliff Johnson sets a then Major League record mark for pinch hit home runs with his 19th career shot. All of this is witnessed by 2,110,009 fans, which puts the Blue Jays in elite company as just the 18th franchise to top two million fans in a season.

PLAYOFF BOUND:

The ascent to AL East Champions is complete in 1985 as on the second to last day of the regular season the Blue Jays defeat the New York Yankees by a 5-1 score to secure their first post-season berth. During the 1985 season a Blue Jays ticket was a hot commodity. On July 27, the club sees average attendance top 30,000 per game for the first time. 47,686 fans show up for an October 4th contest vs. New York to set a single game mark, while final attendance reaches a new high of 2,468,925. Season ticket sales are capped at 11,500.

Bell/Moseby/Barfied: *George Bell, Lloyd Moseby and Jesse Barfield played together in Toronto's outfield for six straight seasons from 1984-1989*

The Blue Jays first foray into the playoffs provides lots of drama and some solid learning experiences that may be valuable in future years. Jumping out to 2-0 and 3-1 series leads vs. the AL West

George Bell MVP: *George Bell cements himself as the AL's best posting a .308 average with 47 home runs and 134 RBI to earn the honour as MVP. Is the only Blue Jay in franchise history to win this award.*

Champion Kansas City Royals it appeared as though the Blue Jays would make their first World Series appearance inevitable. Unfortunately the Kansas City Royals had other ideas as they would come from behind becoming only the 5th club in Major League history to win a series after trailing 3-1. George Brett would lead the way collecting several key hits while Jim Sundberg would deliver the decisive blow off Blue Jays ace Dave Stieb, with a bases clearing wind assisted triple off the top of the right field fence in Game 7.

Heading into 1986 season tickets are capped at 14,000 as the club celebrates its 10th anniversary. On July 10 Damaso Garcia becomes the first Blue Jay to record 1,000 hits in a Blue Jays uniform, while RHP Jim Clancy becomes the first to win 100 games for the franchise. Tony Fernandez becomes the first to punch out 200 hits in a season and RF Jesse Barfield earns the franchise its first Gold Glove award. The Blue Jays drop to 4th place in the East with an 86-76 record as Jimy Williams takes over as team manager.

MVP:

George Bell cements himself as the AL's best posting a .308 average with 47 home runs and 134 RBI to earn the honour as AL MVP in 1987. He became the first Blue Jay ever selected by fans to appear in an All-Star Game. The Blue Jays set several club marks, including a 10-home run game vs. Baltimore on September 14, with Ernie Whitt belting three. A franchise record 11-game winning streak begins on June 2, while attendance soars to 2,778,429. The attendance mark is an all-time high for any AL East club. On Canada Day a single game record 47,828 pack their way into Exhibition Stadium in a contest vs. the New York Yankees. The season ends in shocking fashion as a 3.5 game lead is lost in the final week with seven consecutive losses. Four of the losses came to eventual champions Detroit, with all of them being one-run losses, including two in extra innings. On the season's final day LHP Jimmy Key loses a 1-0 battle to Frank Tanana with the lone run coming from a wall scraping home run to left field by OF Larry Herndon in the 2nd inning. Key injuries to C Ernie Whitt and SS Tony Fernandez down the stretch proved to be too much to overcome.

A 3rd place finish in 1988 (87-75) is highlighted by some individual accomplishments. George Bell begins the season the same way he left off his 1987 MVP campaign. He becomes the first player in Major League history to hit three home runs on Opening day and is the only player over the course of the season to earn two Player of the Week awards. Dave Stieb continues his dominance of AL hitters, flirting with no-hitters on three occasions, with three one-hitters, including back-to-back one-hitters on Sept. 24 and Sept. 30. Incredibly both games see him lose the no-hitter with two outs in the 9th inning.

A SIGNIFICANT CHANGE:

1989 begins with Paul Beeston being named team President on January 10. On May 15 with the team sitting with a 12-24 record manager Jimy Williams is replaced by Cito Gaston on an interim basis. On May 28 the Blue Jays play their final game at Exhibition Stadium defeating the White Sox 7-5. The team moves into the SkyDome and cap season tickets at 26,000. They open the SkyDome on June 5 with a loss to the Milwaukee Brewers. 49,501 watch the Blue Jays on September 16 to set a new record for home attendance. The Blue Jays would go on to post a 77-49 record under Cito Gaston and clinch their second division title. Dave Stieb posts two more one-hitters, and comes within one out of a perfect game vs. New York on August 4, when Roberto Kelly broke up the bid with a double.

BEEN HERE BEFORE:

For the second time in five seasons the Blue Jays were East Division Champions, and for the second time they would succumb in the Divisional Series, this time to the AL West Champ Oakland Athletics. The Blue Jays were no match for Rickey Henderson as he batted .400 in the series with a 1.609 OPS and a LCS record eight stolen bases in the five game series. They were outscored 31-16 with the Blue Jays only victory coming in Game 3 behind Jimmy Key.

1990s

The Toronto Blue Jays entered the 90's as an established contender, looking to build on regular season performances that had yet to yield playoff success. With a State of the Art building in the SkyDome now their home, it was time to see this vision become reality.

In the first full season at SkyDome and the first full season under Cito Gaston the club would come up just short of a post-season berth, finishing two games behind the Red Sox with an 86-76 record. Set a Major League attendance record by passing the Dodgers 1982 mark on Sept. 19. Dave Stewart tosses SkyDome's first no-hitter, pitching for the Oakland A's

AND THEN HE WAS PERFECT:

On September 2, 1990 Dave Stieb would accomplish what had appeared so elusive, by tossing his first and only no-hitter vs. the Cleveland Indians. Jerry Browne would line out to RF Junior Felix to end the contest.

1991 was a big year for the franchise in many ways. Chosen to host their first All-Star Game, 52,382 fans pack the SkyDome to see Jimmy Key pick up the win for

Stieb No-Hitter: *On Sept. 2, 1990 vs. Cleveland, Dave Stieb tosses the only no-hitter in Blue Jay history.*

Joe Carter – '93: *The Blue Jays win their 2nd consecutive World Series title after Joe Carter hits a walk-off home run in game #6 vs. the Phillies as Toronto captured the series in six games.*

the home side. In December of 1990 the Blue Jays cement a deal that would change the fortunes of the club by acquiring future Hall of Famer Roberto Alomar and OF Joe Carter from San Diego in exchange for SS Tony Fernandez and 1B Fred McGriff. Another attendance mark is set and the 4 million fan barrier is broken as 4,001,526 see the Blue Jays return to the post-season by winning the AL East with a 91-71 record. Tom Henke sets a then record for consecutive saves with 25. On May 1 in Texas, Nolan Ryan no-hits the Blue Jays for his 7th and final no-hitter.

THIRD TIME A CHARM:

The AL West Champion Minnesota Twins would await in the AL Championship Series. The Blue Jays would come home to Toronto with a 1-1 series split, primed to make their first World Series appearance. Unfortunately an 11-inning heartbreaker would see the series tide turn as Mike Pagliarulo would homer off Mike Timlin to put the Blue Jays down 2-1. In Game 5 the Twins would finish off the series by scoring three runs in the 8th inning, winning 8-5 and sending the Blue Jays home early once again.

Newly acquired RHP Jack Morris would lead the Blue Jays into the 1992 season by making his Major League record 13th consecutive Opening Day start. He tosses a complete game 4-2 win in Detroit. The Blue Jays would set a Major League attendance record again in 1992 with 4,028,318 fans. The Blue Jays would clinch their 4th playoff berth on October 3. Dave Winfield sets a Blue Jays mark with 23 home runs as a DH while becoming the oldest player to register 100 or more RBI in a season.

TIME TO CELEBRATE:

An old foe would await in the 1992 Championship series in the Oakland Athletics, a team very similar to the club that handled the Blue Jays just two seasons ago in the playoffs. The Blue Jays would split the first two games at home before heading to Oakland for Games 4, 5 and 6. Juan Guzman would give the Blue Jays a 2-1 series lead before the dramatic Game 4 would be the catalyst for the Blue Jays first ever World Series appearance. In Game 4 the Blue Jays found themselves down 5-1 after three and 6-1 heading into the 8th inning. They would come within striking distance with a three-run 8th inning before Dennis Eckersley, the games widely known "best closer," attempted to close out the game in the 9th. With a man on, Roberto Alomar would deliver the biggest hit in franchise history, belting a game-tying two-run home run to right field. They would go on to win in 11 and then the series in six games.

More drama would ensue in the Blue Jays first World Series appearance as perennial playoff club the Atlanta Braves provided the opposition. After dropping the first contest, Game 2 saw backup C/INF Ed Sprague propel the Blue Jays to their first ever World Series win with a pinch-hit two-run home run off Jeff Reardon in a 5-4 win. Game 3, the first World Series game played outside of the US, was noteworthy for 'the catch" made by Devon White in the 4th inning. Resulting in a near triple play. It was key in keeping the score tied at 2-2 in the 9th inning. Candy Maldonado would drive in Roberto Alomar for the game-winner and a 3-1 series lead. Unable to close the series out in Game 5 the Blue Jays would need one more dramatic at-bat to bring the World Series to Canada. Tied in the 11th inning, Dave Winfield would double down the left field line to drive in two and when Mike Timlin tossed an Otis Nixon bunt to Joe Carter the long journey to World Series Champions had concluded.

In 1993 a record tying seven Blue Jays are selected to the All-Star team (Alomar, Carter, Hentgen, Molitor, Olerud, Ward, White). John Olerud would flirt with a .400 average, going as late as August 2 at the .400 mark and eventually becoming the first Blue Jay to win a batting title. In fact, the top three spots at season's end belonged to Blue Jays (Olerud - .363/ Molitor - .332/Alomar - .326), the first time in 100 years this had occurred. The Blue Jays would win the AL East again and on July 31 they would acquire OF Rickey Henderson to propel them into another post-season run.

In the 1993 AL Championship Series the Blue Jays and Chicago White Sox would both win two games on opposition soil before the Blue Jays reversed the trend and won Game 5 at SkyDome. In all six games the team that scored first won the contest. Roberto Alomar once again led the way with a .316 average, including reaching base in all five plate appearances in Game 5. Dave Stewart would close out the series moving to 8-0 in ALCS play with a 6-3 victory.

In a highly entertaining series the Blue Jays would bring back-to-back championships to Canada, defeating the Philadelphia Phillies in six games. The series was highlighted by a classic Game 4 contest in Philadelphia on October 20, that saw the Blue Jays overcome 12-7 and 14-9 deficits with a six-run 8th inning. 10 men would come to the plate in the 8th, with Devon White tying the contest with a 2-out RBI triple. Rickey Henderson provided the game-winning hit in a contest that took four hours and 14 minutes to play. In Game 6 in Toronto, the Blue Jays would trail the Phillies 6-5 entering the bottom of the 9th. Phillies closer LHP Mitch Williams allowed a walk to Henderson and a one-out single

to Molitor before Joe Carter ended the series with a three-run home run to left field. The "You'll never hit a bigger home run in your life" quote was made famous by longtime Blue Jays announcer Tom Cheek.

1994 sees the season end prematurely on August 12 as a player strike begins. It does not end until late April of 1995. The Blue Jays would not return to the post-season during the balance of the 90's, finishing as high as 3rd place in 1998 and 1999. Paul Beeston is named Canada's Baseball Man of the Year in 1994, while Howard Starkman picks up the Robert O. Fishel award for Public Relations

Shawn Green becomes the first Blue Jay to post 30 home runs and 30 stolen bases in 1998. Pat Gillick is enshrined on the Level of Excellence on August 7, 2002. The 2002 campaign came to a close with 3B Eric Hinske named as the Rookie of the Year.

Through 2005, although the Blue Jays would not finish higher than 3rd place, fans would see many exciting moments. They would complete their first four game sweep of the Yankees in NY during the 2003 season. On June 15, 2003 Reed Johnson becomes only the fourth player in MLB history to hit a leadoff and

Later in the season he is enshrined on the Level of Excellence. John Gibbons relieves Carlos Tosca of his duties on August 8, 2004. The final day of the season is overshadowed by the sudden passing of longtime Blue Jay and current broadcaster John Cerutti. Vernon Wells picks up a Gold Glove Award in 2004 and 2005, while Orlando Hudson earns the distinction in 2005. On April 4, Tom Cheek calls back-to-back home runs by Orlando Hudson and Vernon Wells in his last game as a Blue Jays broadcaster. He would later pass away on October 9, 2005.

After key signings of RHP A.J. Burnett and LHP B.J. Ryan in 2006, the team would go on to post its best finish of the decade, finishing in 2nd place with an 87-75 record. It marked the first time they would place higher than 3rd place since the World Series winning clubs in 1992 and 1993. They would see five players go to the All-Star Game (Halladay, Ryan, Wells, Glaus, Rios).

The Blue Jays would sign free agent Frank Thomas to a two-year contract in 2007 as he would pursue his run at 500 career home runs. On June 28 in Minnesota, he would become just the 21st player in MLB history to accomplish the feat hitting a 1st inning home run off Carlos Silva. Cito Gaston makes his return to the dugout as he replaces John Gibbons as manager with the team sitting with a 35-39 record. Gaston would lead the club to a 10-game winning streak in September and finish with a 51-37 record the rest of the way in 2008. He would be rewarded with a two-year contract following the season.

The decade concludes with a 75 win and a 4th place finish, leading to General Manager JP Ricciardi being replaced following the season by assistant Alex Anthopoulos on October 3. Aaron Hill and Adam Lind have stellar offensive seasons earning both a Silver Slugger Award. Hill also is named Comeback Player of the Year, while Lind is recognized as the AL's best Designated Hitter, picking up the Edgar Martinez Award.

Home Run Record: *Jose Bautista broke the Blue Jays home run record in 2010, leading the Majors with 54 home runs. Is the only Toronto player to ever hit at least 50 home runs in a season.*

2010s:

The club makes a concerted effort to beef up the Player Development staff and strengthen the organization's farm system. Jose Bautista wins the Hank Aaron award and a Silver Slugger Award, after setting a club mark with 54 home runs. Bautista would become just the 16th player in MLB history to record 54 home runs and just the 7th player to post 50 home runs, 30 doubles and 100 walks in the same season. Overall the team would hit 257 home runs tying them for the 3rd highest total in MLB history. Morrow would see his no-hitter lost with two outs in the 9th inning, however he would finish with a one-hitter and 17 strikeouts. Cito Gaston is honoured in the final home game with a pre-game ceremony on September 29, 2010.

WORLD SERIES RINGS

The Toronto Blue Jays commissioned Tiffany & Co., the world-renowned purveyor of fine jewellery, timepieces, and arts of the table to design rings commemorating both their 1992 and 1993 World Series victories.

To commemorate the 1992 Blue Jays victory, the 14 karat gold ring's design features the team's logo: the head of a Blue Jay with a maple leaf on a baseball backdrop. The eye of the bird is set with a solitaire diamond. Sixteen diamonds representing each year of the club's history surround the bird and the maple leaf is enamelled in red to match the team's official colour. The inscription of World Champions 1992 wraps around the bezel. One side depicts the team's name - Toronto Blue Jays - set in two lines across the top. The 1992 World Series logo is set in a maple leaf with the inscription - Canada's 1st - positioned below the logo denoting the first Canadian World Series victory. The other side depicts the player's name and the jersey number, the American League logo and the team's 1992 season attendance record - 4,028,318 - positioned below the American League logo. Each side of the ring is accented with two rows representing the stitches of a baseball.

The 1993 World Series Championship ring features the symbols of the Toronto Blue Jays and Canada. A field of 45 diamonds in a pave style setting surrounds the Toronto Blue Jays' logo: the head of a Blue Jay enamelled in the team's official colours overlapping another Blue Jay in gold. The eye of the Blue Jay is set with a diamond solitaire stone. Two Maple Leafs, enamelled in red, symbolize Canada's back-to-back World Series victories. Two baseballs overlay each other in the background. Each ring is personalized with each player's name and jersey number, and incorporating the American League logo and the World Series logo with the inscription "Back to Back" and the years 92-93.

TORONTO BLUE JAYS

IN THE POST-SEASON

1985

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS KANSAS CITY (L, 3-4)

As the Blue Jays entered post season play for the first time, they would face the Kansas City Royals in the first ever best-of-seven American League Championship Series. The Blue Jays, who finished nine games ahead of the Royals in the loss column, were the favourites and would enjoy the extra home game.

GAME #1: Dave Stieb lived up to superstar billing, shutting out the Royals on three hits through eight innings with no base runner advancing past second base. The Blue Jays struck quickly with two runs in the second, three in the third and one in the fourth. The Blue Jays offense was sparked by 2 RBI performances from Ernie Whitt and Tony Fernandez.

GAME #2: A much more even affair with the Blue Jays eeking out a 6-5, 10-inning win. The Royals jumped into a quick 3-0 lead after 3 innings primarily on the strength of a 2 run HR by Willie Wilson in the 3rd inning. The Blue Jays took the lead on a George Bell sacrifice fly in the 8th. The Royals rallied, however, in the 9th on a pinch hit HR by Pat Sheridan with the go ahead run being delivered in the 10th on a Frank White single. The Blue Jays won it in the bottom of the 10th on a two-out 2 run single by Al Oliver. On to Kansas City, the Blue Jays were up 2 games to none.

GAME #3: George Brett put on a baseball clinic going 4-4 with 2 HR's, 3 RBI with 4 runs scored en route to a 6-5 Royals win. Leading 5-2 after 4 innings the Blue Jays squandered the lead for good in the 8th when Brett led off the inning with a single and eventually scored.

GAME #4: The Blue Jays came within one win of a World Series berth with a 3-1 come-from-behind victory. The Blue Jays won the game dramatically with 3 runs in the top of the ninth inning, the big blow being a 2 run pinch hit double by Al Oliver.

GAME #5: LHP Danny Jackson went the distance checking Toronto on 8 hits and scoring a run in each of the first two innings. Blue Jays still led the series 3 games to 2.

GAME #6: The Blue Jays and Royals returned to Exhibition Stadium. Entering the 5th inning tied at 2-2 George Brett once again delivered the decisive blow with a solo HR. With 3.2 shutout innings of relief from Buddy Black and Dan Quisenberry, the Royals pulled even in the series for the first time at three games apiece.

GAME #7: Dave Stieb, the ace of the Toronto staff vs. eventual Cy Young Award winner Bret Saberhagen. The Royals came out on top 6-2 shellacking Dave Stieb for six runs in 5.2 innings. The big blow being a wind-assisted, bases clearing triple by Jim Sundberg to cap a four run 6th inning.

The Kansas City Royals became only the 5th club in Major League history to trail a series three games to one and come back to win the series. The Blue Jays? They slumped immediately after scoring five runs in the 5th inning of Game 3 scoring only eight runs in the last 40 innings.

1989

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS OAKLAND (L, 1-4)

For the second time in five seasons, the Blue Jays were American League East Division Champions. The Blue Jays would face the Oakland Athletics who had the best record in the Major Leagues in 1989.

GAME #1: The Blue Jays surrendered 2-0 and 3-1 leads as the Athletics scored three times in the sixth and twice in the eighth to win 7-3. In the sixth inning, Mark McGwire cracked a lead off HR to tie the game and two runs scored when Carney Lansford's double play ball was botched. Dave Stewart allowed five hits over eight innings for the win.

GAME #2: The Athletics tallied twice in the fourth inning and three in the sixth en route to a 6-3 win. Rickey Henderson was a one-man wrecking crew going 2-for-2 with two runs scored and four stolen bases. Athletics' righthander Mike Moore allowed just three hits and an unearned run in seven innings.

GAME #3: The Blue Jays snapped a five game post-season losing streak dating back to 1985 with a convincing 7-3 win. The Blue Jays jumped on Athletics' starter Storm Davis for four runs on four hits in the fourth inning and salted the game away with another three runs in the seventh inning. Overcoming a 3-0 Athletics' lead, Mookie Wilson and Tony Fernandez paced the Blue Jays with two hits apiece, the latter with two doubles.

GAME #4: The Athletics took a commanding 3-1 lead in games with a 6-5 win over the Blue Jays. Rickey Henderson

was again a major catalyst with two home runs and four RBI. The Blue Jays collected 13 hits, 11 of which were singles and attempted to overcome a 5-2 deficit with one run in the sixth and seventh innings and two in the eighth.

GAME #5: The Blue Jays spotted the Athletics a 4-0 lead heading into the seventh inning before eventually losing the game 4-3 and the best-of-seven series in five games. Trailing 4-1 after eight innings the Blue Jays scored twice in the ninth inning on a leadoff HR by George Bell and a sacrifice fly by Kelly Gruber.

In essence it was Rickey Henderson defeating the Blue Jays four games to one. Henderson batted .400, slugged 1.000, had a .609 on-base percentage and swiped a LCS record eight stolen bases. The Blue Jays hit .242 as a team (compared to Oakland's .272) with only eight of their hits going for extra bases. They were outscored 8-3 in the first three innings and 12-7 in the middle three before outscoring the Athletics 11-6 in the final three innings. Unfortunately, it is virtually impossible to consistently battle back from an early inning deficit. Although anything can happen in a "short series," the best team of the regular season continued their charted course into post-season, winning eight of nine contests.

1991

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS MINNESOTA (L, 1-4)

GAME #1: Toronto starter Tom Candiotti lasted just 2.2 innings and allowed five earned runs before being lifted in favour of David Wells. The Twins would not need to score another run. The Blue Jays rallied for a run in the fourth and three runs in the sixth on five consecutive hits off Twins starter Jack Morris. Those four runs would be all Toronto could muster as they lost 5-4 at the Metrodome.

GAME #2: Toronto took an early lead as they jumped on Twins starter Kevin Tapani, scoring three times in the first three innings. Rookie Toronto starter Juan Guzman lasted 5.2 innings allowing four hits and just two earned runs before the ball was handed to the bullpen. Tom Henke and Duane Ward combined for 2.1 innings of shutout relief and six strikeouts. Devon White scored three of the five Toronto runs as the Blue Jays won their only 1991 ALCS game 5-2 in Minneapolis.

GAME #3: Joe Carter's first inning home run and a Candy Maldonado double put the Blue Jays ahead 2-0 until the sixth inning when the Twins were able to put their second run across the plate and tie the game at two apiece. Toronto starter Jimmy Key scattered five hits over six innings and allowed two earned runs. The game went into extra-innings and ended in dramatic fashion as Mike Pagliarulo, pinch hitting for Scott Leius, homered to right off of Blue Jays reliever Mike Timlin, Toronto was retired 1-2-3 in their half of the tenth as the Twins defeated Toronto 3-2 at SkyDome.

GAME #4: Blue Jays starter Todd Stottlemyre allowed seven hits in 3.2 innings before exiting with Toronto trailing 4-1. The Twins' Kirby Puckett hit his first home run of the series and Dan Gladden collected three RBI on three hits to pace Minnesota to a 9-3 win at SkyDome. It was Jack Morris' second win of the ALCS as he pitched eight innings allowing just two runs.

GAME #5: Kirby Puckett displayed his power once again as he homered in the first inning off Tom Candiotti to put the Twins ahead 1-0. Toronto put together three runs in the third and a pair in the fourth to go ahead 5-2. Minnesota was able to post three runs in their half of the sixth inning and tie the game at five. Duane Ward was handed the loss for Toronto as he allowed three runs in the eighth. Toronto was shutdown by five shutout innings of relief. Devon White, Roberto Alomar and Manuel Lee each collected a pair of hits in the losing effort as Minnesota took the American League crown with an 8-5 win.

1992

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS OAKLAND (W, 4-2)

GAME #1: Home runs were the story of the game as Oakland used three of them to beat the Blue Jays 4-3. The A's scored three runs in the second inning off Toronto starter Jack Morris on back-to-back homers by Mark McGwire and Terry Steinbach. The 3-0 lead stood until Pat Borders homered off Dave Stewart in the Blue Jays' fifth followed by a Dave Winfield homer in the sixth making the score 3-2. John Olerud tied the score at 3 in the bottom of the eighth with a two out single off reliever Jeff Russell scoring Winfield who had doubled in the previous at-bat. Harold Baines broke the tie with a solo shot to lead off the ninth and Dennis Eckersley shut down the Blue Jays in the home half of the ninth inning to seal the 4-3 Oakland victory.

GAME #2: The Blue Jays were able to rebound from a Game #1 loss as David Cone held the A's to just one run over 8.0 innings en route to a 3-1 win. Cone, the Major League's strikeout leader in 1992, fanned six as he collected his second career post-season victory. Mike Moore lasted seven innings in the losing effort for Oakland. Kelly Gruber doubled and hit a 2-run homer in the fifth which would prove to be the winning runs. Closer Tom Henke came on for the save in the ninth, his first ever post-season save.

GAME #3: For the first time since 1985 vs. Kansas City, the Blue Jays put together a pair of wins in the post-season as they got past the A's 7-5. Toronto starter Juan Guzman notched his second career LCS win in as many starts (1991 vs. Twins) lasting six inning before being lifted in favour of Duane Ward. Tom Henke earned his second save in as many games. Despite being outhit 13-9 by the A's, 4 of Toronto's hits went for extra-bases including homers from Alomar (solo) and Maldonado (solo). The A's collected just 1 extra-base hit.

GAME #4: In what appeared at first to be a certain Oakland victory, the Toronto Blue Jays fought back to erase a five run deficit late in the contest sending the game into extra-innings. Oakland batted around earning five runs in the third inning as they jumped on Toronto starter Jack Morris. The A's added another run in the sixth making the score 6-1. Toronto began their comeback in the top of the eighth as they strung together five consecutive hits. By the end of the inning, the score was 6-4. The A's were held off the board in the bottom of the eighth, but in the top of the ninth Devon White led off with a single that was misplayed allowing him to get to third base. Roberto Alomar then homered off Dennis Eckersley to tie the game at 6-6. Toronto eventually won the game in the eleventh as they scored a run off Kelly Downs to win 7-6.

GAME #5: Oakland starter Dave Stewart held the Blue Jays in check for nine innings scattering seven hits, allowing just 2 runs as Oakland sent the series back to SkyDome. The complete game win was Stewart's first win of the 1992 post-season. The 6-2 loss for the Blue Jays ended their three game win streak. David Cone took the loss for Toronto. He lasted just 4.0 innings before Jimmy Key made his first appearance of the 1992 playoffs. Ruben Sierra homered and drove in 3 runs for the A's. Devon White notched 3 hits on the day including a double in the losing effort.

GAME #6: Toronto scored a pair of runs in the first on a Joe Carter homer off A's starter Mike Moore. The Blue Jays then added four more runs in the third including a Candy Maldonado 3-run homer to put Toronto ahead 6-0. Blue Jays' starter Juan Guzman went seven innings allowing just five hits and striking out eight before the ball was handed to Duane Ward in the eighth with the score Toronto 7, Oakland 1. The A's managed a run in the top of the eighth but the home town Blue Jays secured the win as Tom Henke tossed a perfect ninth sending Toronto to its first ever World Series with a 9-2 win over Oakland.

WORLD SERIES

TORONTO VS ATLANTA (W, 4-2)

GAME #1: In the first game of the 89th World Series, the Blue Jays suffered a 3-1 loss to the Atlanta Braves. Home runs were the story of the game as Toronto took an early 1-0 lead in the fourth on a Joe Carter solo homer off starter Tom Glavine. It would be the only run Toronto would score. Jack Morris continued his shutout innings streak vs. the Braves extending it to 18.0 innings until a 3-run homer by catcher Damon Berryhill in the sixth inning ended the streak. Glavine went the distance for the Braves becoming the first pitcher to toss a complete game in a World Series opener since Jack Morris accomplished the feat in 1984 vs. San Diego.

GAME #2: Reserve catcher Ed Sprague proved to be the hero for the Blue Jays on this night at Fulton County Stadium. David Cone lasted just 4.1 innings allowing 4 runs over that span before exiting in favour of David Wells. Cone, however, contributed at the plate before being lifted with a pair of hits and an RBI. His two hits marked the first two-hit game by an AL pitcher in the World Series since Mickey Lolich went 2-4 on October 3, 1968. Heading into the eighth inning, the Blue Jays trailed 4-2. After a run in the top of the eighth Toronto entered the ninth inning trailing by 1. After a Pat Borders fly out, rookie Derek Bell (pinch hitting for Manuel Lee) walked. Ed Sprague, then pinch hitting for the pitcher Duane Ward, knocked a first pitch offering from Jeff Reardon over the left field fence to put the Blue Jays ahead 5-4. Tom Henke was able to retire the Braves in the bottom of the ninth for the save.

GAME #3: The game marked the first time the World Series had been played outside of the United States as the series moved to SkyDome. In another pitching duel, Steve Avery and Juan Guzman both went 8.0 innings. Atlanta was kept off the board in the fourth with a splendid defensive effort by Devon White. White ran down a deep drive off the bat of David Justice that sent him into the wall to make the catch. White returned the ball to the infield where Terry Pendleton was doubled-up off first. The Blue Jays drew first blood in the fourth inning as Joe Carter connected for his second homer of the series, a solo shot putting Toronto ahead 1-0. In the sixth inning, the Braves rallied to tie things at 1-1. Each team traded runs in the eighth keeping the game knotted at 2-2. The Braves attempted a rally as Duane Ward came on to pitch the ninth. But after a key double play and a strikeout the inning was over. In the home half of the ninth, Roberto Alomar led off with a single. After stealing second and a Dave Winfield sacrifice, Alomar stood at third with one out. Jeff Reardon came in to try to halt the Blue Jays' advance, but Candy Maldonado, with the bases loaded, hit a 2-strike pitch to right centre for a base hit allowing Alomar to score the winning run.

GAME #4: In what was the third consecutive 1-run game of the 1992 World Series, the Blue Jays posted a 2-1 win behind a strong pitching effort from starter Jimmy Key. Key went 7.2 innings allowing just 5 hits and 1 earned run while striking out six Braves batters. Toronto earned their first run in the third inning as catcher Pat Borders continued his post season hit streak with a solo homer to left. Toronto made the score 2-0 in the seventh when Devon White drove in Kelly Gruber from second base. Atlanta managed to score a run in their half of the eighth as Ron Gant led off with a double and eventually scored on a Mark Lemke groundout. Tom Henke came in to pitch the ninth for Toronto and tacked up a 1-2-3 inning for his second save of the series.

GAME #5: The game began in similar fashion as the previous four. Entering the fifth inning, the game was tied at 2-2. The Braves had collected a run in the first and fourth inning while the Blue Jays captured runs in the second and fourth. The fifth proved to be Atlanta's inning as they crossed the plate five times to seal the victory and send the series back south for at least one more game. The fifth inning began for the Braves with 2 consecutive routine outs. An Otis Nixon single got the ball rolling and the Braves eventually loaded the bases on Toronto starter Jack Morris. Lonnie Smith stepped up to the plate and sent Morris' 1-2 offering over the right field wall for a grand slam making the score 7-2. The score remained the same over the final four innings making a winner out of John Smoltz.

GAME #6: The Toronto Blue Jays make history as they capture their first ever World Series and bring the Commissioner's Trophy outside of the United States for the first time. The 11-inning contest began with the Blue Jays scoring in the first inning. Devon White led off the game with a single off starter Steve Avery. After a stolen base and a ground out by Alomar, White stood on third. Carter then drove in White with a sacrifice fly. Atlanta answered the call in its half of the third as Deon Sanders scored his fourth run of the series. Toronto returned the favour immediately as it regained the lead with a run in the top of the fourth on a Maldonado leadoff homer. The score remained that way until the bottom of the ninth when Atlanta shortstop Jeff Blauser tied the game sending it into extra-innings. The tenth inning proved to be uneventful. In the eleventh, the Blue Jays led off with Key popping up for out number 1. Devon White was hit by a Charlie Leibrandt offering. Alomar then singled to centre allowing White to move up to second. With two out, Dave Winfield stepped up to the plate and doubled down the left-field line allowing White and Alomar to score making it 4-2 Toronto. In the Braves eleventh, Atlanta was able to score once with Jimmy Key on the mound. Mike Timlin then came in to pitch for the Blue Jays with pinch runner Smoltz on third and two out... Otis Nixon attempted a drag bunt up the first base line, that was fielded by Timlin who threw to Carter at first in time for the final out.

1993

AMERICAN LEAGUE CHAMPIONSHIP SERIES

TORONTO VS CHICAGO (W, 4-2)

GAME #1: The Blue Jays took a 2-0 lead in the fourth inning when third baseman Ed Sprague tripled to right field with Olerud and Molitor on base. Chicago then used it's half of the fourth inning to produce three runs on two hits as they sent nine men to the plate. Toronto starting pitcher Juan Guzman managed to hold the White Sox in check for six innings but walked 8 batters and stranded 11 runners before exiting with a 5-3 lead. Jack McDowell lasted 6.2 innings allowing thirteen hits and all seven Toronto runs before the White Sox relief corps came on to hold Toronto for the remainder of the game. Danny Cox worked a shutout seventh and eighth allowing a single by Ozzie Guillen. Duane Ward came out for the ninth and walked the first two batters before striking out the side to end the Chicago threat.

GAME #2: Both clubs scored once in the first inning, but it was the Blue Jays who would prevail as their two-run fourth inning provided the edge. The 3-1 win saw Toronto take a two games to none lead in the best of seven games series. The fourth inning started with a pair of outs by Carter and Olerud. Paul Molitor then doubled off starter and loser Alex Fernandez. Next, Tony Fernandez singled to score Molitor and moved to second on the throw home. After an intentional walk to Ed Sprague, Pat Borders singled to second base but Joey Cora threw the ball away allowing the third Toronto run to score. Dave Stewart worked six strong innings surrendering just four hits (all singles) and one run for his seventh career ALCS win against no losses. Al Leiter was credited with a hold as he pitched the seventh and eighth innings before closer Duane Ward came in to save the game in the ninth.

GAME #3: Nineteen game winner, Pat Hentgen started for Toronto but could not collect a win on this day as Toronto suffered their worst defeat of the series losing 6-1. The Blue Jays were able to hold off the White Sox attack until the third inning when they sent 10 players to the plate and combined for five runs on five singles. Hentgen lasted just three innings plus 2 batters before he was removed in favour of Danny Cox. Toronto scored their lone run in the bottom of the third as Rickey Henderson scored from third on a Devon White single. Wilson Alvarez, the Chicago starter, pitched a complete game for his first career ALCS victory. He allowed just seven hits while issuing two walks and striking out six. Tim Raines provided most of the offensive support for Chicago going 4-5 with a run scored.

GAME #4: A two run home run by centre fielder Lance Johnson in the second inning gave the White Sox a 2-0 lead over Toronto. The light hitting Johnson had not hit a home run since the 1992 regular season. Todd Stottlemyre, making his first start of the 1993 ALCS, lasted six innings for the home team but failed to hold onto a 3-2 lead that was handed to him in the third when Toronto batted around on rookie starter Jason Bere. The right hander lasted just 2.1 innings before being pulled in favour of Tim Belcher. Stottlemyre allowed three more Chicago runs in the sixth including a Frank Thomas solo homer and a Lance Johnson triple before departing. Roberto Alomar doubled home Henderson in the bottom of the sixth to cut the White Sox lead to one (5-4), but the visiting White Sox notched a single run off Al Leiter in the seventh and another run off Mike Timlin in the ninth to seal the win by a 7-4 margin.

GAME #5: As was the case with each of the previous four games, the team that scored first emerged victorious. This time, Toronto scored first when Rickey Henderson crossed the plate in the first inning after leading off the game with a double and a stolen base. Starting pitcher Jack McDowell allowed a Toronto run in the second and third before being lifted following just 2.1 innings. Meanwhile, Blue Jays starter Juan Guzman cruised through the first 4.1 innings without allowing a hit or a walk until Ellis Burks went deep to left field for what would be the only blemish on Guzman's slate that afternoon. He lasted seven innings permitting just two hits while walking one and striking out six. Roberto Alomar reached base in all five plate appearances (3 hits, 2 walks) to lead the Toronto attack. Tony Castillo worked a scoreless eighth allowing a single and a base on balls. Duane Ward had some difficulty in the ninth. He struck out Joey Cora and Frank Thomas following a single to lead off the inning by Tim Raines. He then issued a two run homer to Robin Ventura that brought Chicago within two. With the tying run at the plate, Ward struck out Bo Jackson to end the game and preserve the 5-3 Toronto win.

GAME #6: With his 7-0 record in ALCS play on the line, Blue Jays' starter Dave Stewart provided the win which put Toronto into their second consecutive World Series as the Blue Jays won 6-3 over Chicago. Toronto scored first with a pair of runs in the second inning as a 2-out single by catcher Pat Borders off Alex Fernandez cashed in John Olerud and Paul Molitor. The White Sox tied the game in the third inning when a bases loaded walk by Frank Thomas and a fielder's choice by Robin Ventura scored two runs. Stewart managed to restrict the White Sox to just 4 hits and 2 earned runs before handing Duane Ward a 3-2 lead after 7.1 innings. Ward struck out the final two batters to end the eighth. Toronto added to their lead as Devon White homered off reliever Scott Radinsky to make the score 4-2. Toronto added two more runs before the inning was over as Paul Molitor tripled to centre. Ward allowed his second home run of the series as Warren Newson hit a solo shot in the bottom of the ninth but that was all the scoring that the Pale Hose could muster as the Blue Jays were crowned American League Champions for the second straight season.

WORLD SERIES

TORONTO VS PHILADELPHIA (W, 4-2)

GAME #1: For the first time in baseball annals, the World Series began on Canadian soil. The Blue Jays fell behind 2-0 in the first inning as the Phillies' catcher Darren Daulton singled home a pair of runs off starting pitcher Juan Guzman. After holding Philadelphia in check in the top of the second, Toronto rallied with two runs of its own on four singles off Curt Schilling. Both teams traded solo runs in the third and fifth to keep the score knotted at 4-4. With 1 out in the bottom of the sixth, John Olerud took a first pitch offering from Schilling over the right field fence for a solo home run putting Toronto ahead by one. Toronto scored what would prove to be the winning run in the bottom of the seventh as four consecutive hits by Borders, Henderson, White and Alomar produced an 8-4 lead heading into the eighth. Al Leiter, who would prove to be the winning pitcher, relieved Guzman to start the sixth and held the Phillies scoreless over 2.2 innings before turning the ball over to closer Duane Ward. Ward surrendered a run in the ninth inning as a Jim Eisenreich single scored John Kruk, who had led off the frame with a single and moved to second on an error. Ricky Jordan flied out to Joe Carter for the last out to put Toronto ahead 1 game to 0 with the 8-5 win.

GAME #2: The big inning would prove to be the Philly advantage on this night as a Jim Eisenreich three run homer in the top of the third capped a five run inning that saw eight Philadelphia batters step up to the plate. Toronto starter and eventual loser, Dave Stewart, lasted six innings with all five earned runs coming in that third frame. Toronto answered the Philly onslaught with a pair of runs in the bottom of the fourth as Joe Carter connected for his first of two World Series home runs. Philadelphia starter Terry Mulholland would allow just three runs over 5.2 innings before handing the ball to the bullpen. Lenny Dykstra led off the seventh inning with a solo homer off reliever Tony Castillo to stretch the Philly lead to 3 as the visitors were now ahead 6-3. Toronto scored one run in the eighth as Molitor led off with a double and eventually scored on an Olerud sac fly. Philly relievers Roger Mason (1.2 innings) and Mitch Williams (1.2 innings) closed out the game to preserve the 6-4 win and even the series.

GAME #3: The venue moved from SkyDome to Veteran's Stadium in Philadelphia for games three, four and five. This game featured solid pitching by the Blue Jays combined with a potent offence. The visiting Blue Jays jumped on Philly starter Danny Jackson in the top of the first as Paul Molitor drove home a pair of runs with a triple. He would later score on a Carter sacrifice fly to right field. Molitor added a solo homer in the third to make it 4-0. Starting pitcher Pat Hentgen pitched six innings allowing just one run- that coming in the sixth as a two-out single by Eisenreich scored John Kruk who had reached base via a walk. The Blue Jays added another run in the top of the sixth as Roberto Alomar scored on a sac fly after reaching base on a single and stealing second and third. Toronto continued to add to their lead as they scored three more runs in the seventh off reliever Ben Rivera. Alomar finished the night with a four hits while Molitor had three hits along with three runs and three RBI. Duane Ward surrendered a solo homer to Milt Thompson in the ninth to make the final score Toronto 10, Philadelphia 3.

GAME #4: In a slugfest, the Blue Jays put together one of the wildest comebacks in World Series history to beat the Phillies 15-14 and take a three games to one lead. Toronto opened the scoring with three in the first off Philly starter Tommy Greene. But the home team would take advantage of four first inning walks by starter Todd Stottlemyre as they scored four runs to move ahead 4-3. Philadelphia added two more runs to their tally as Lenny Dykstra connected for his second homer of the series, a 2-run shot in the second. The Blue Jays batted around in the third and collected four runs and sent Tommy Greene to the bench in favour of Roger Mason. Philadelphia then posted a five run fifth that included home runs from Dykstra and Daulton to extend its lead 12-7. Toronto countered with two runs in the top of the sixth as White and Alomar scored on a single and a ground out. The Phillies added a run in the sixth and one in the seventh to make the score 14-9. The Phillies relief corps could not hold Toronto from making a comeback. In the top of the eighth, the Blue Jays sent ten players to the plate. Devon White's triple with two out scored Pat Borders to tie the game and Rickey Henderson to put Toronto ahead 15-14. Mike Timlin, started the eighth and struck out the first two batters he faced before Duane Ward came on to strikeout Dykstra to end the inning. In the ninth Ward hurled a 1-2-3 inning for his second save of the series in a game that took 4 hours and 14 minutes to play and was the highest scoring game in World Series history. Tony Fernandez had five RBI in the game and White had four.

GAME #5: Curt Schilling shutout Toronto 2-0 in what was the second ever shutout of Toronto in the post season. Pitted against Blue Jays ace Juan Guzman, he allowed just five hits (all singles) and struck out six Toronto batters for his first World Series win. The Phillies scored the only run they would need in the first inning when Dykstra, who had walked to lead off the game, scored on a John Kruk groundout. They added a second run in the very next inning as a pair of doubles cashed in Daulton. In the eighth, the Blue Jays threatened with a pair of runners on base but a strikeout by White followed by an Alomar ground out ended their attempt. Guzman was equal to the challenge as he went seven innings allowing both Philly runs while fanning six. The win sent the series back to Toronto with the Blue Jays holding a 3-2 edge.

GAME #6: Toronto started their quest for a second straight World Series Championship early as they notched three runs off Philly starter Terry Mulholland in the bottom of the first. A run in the fourth and a solo home run by Molitor in the fifth put Toronto up 5-1. Dave Stewart, the Toronto starter, held the Phillies to just one run over his first six innings. In the seventh he surrendered a three run homer to Lenny Dykstra- his fourth of the series. That led to Stewart being pulled from the game. Reliever Danny Cox came in with none out and surrendered two more runs before the Phillies were halted by Al Leiter. The damage had been done and Philadelphia was now leading 6-5. After leaving the bases loaded in the eighth, Toronto made World Series history by erasing a 1-run lead in the bottom of the ninth. Mitch Williams came in to start the inning and he walked Rickey Henderson who led off. After a Devon White fly out, Molitor singled to centre to put runners at first and second. Right fielder Joe Carter then stepped up to the plate. On a 2-2 offering from Williams, Carter homered over the left field wall for a three run home run and propelled Toronto to its second consecutive World Series Championship with an 8-6 win.

FREE AGENCY FOR PLAYERS ON THE 40-MAN ROSTER

Free agency came about in 1976 when 244 players refused to sign contracts and opted for, at season's end, the right to participate in a re-entry draft.

That draft took place in New York on November 4. Clubs were permitted to select players with whom they could negotiate. There was no compensation for clubs who lost players in this draft. In later years, the draft was abolished and compensation was required.

Other than signing their own players who had opted for free agency and free agent players signed after being released, the Blue Jays' involvement in the free agent market has been:

1978	Luis Gomez	from ATLANTA BRAVES

MAJOR LEAGUE RULE 5 DRAFT, 1977-2014

Toronto has selected 30 players in the Major League Baseball Draft, since their inaugural season in 1977. Players with at least three years of professional service who are not protected on a team's major league roster are eligible for selection by another club for $50,000 (prior to 1985 the draft price was $25,000). The drafted player must remain with his new club for the full season or be offered back to his original club for $25,000. The drafting is in reverse order of previous season records and alternating between leagues. Following this major league draft, a separate selection is held by National Association clubs from class AAA to A levels. An "AAA" selection price is $12,000. An "AA" selection is $4,000.

TORONTO BLUE JAYS OWNERSHIP

On March 26, 1976, the American League granted an expansion franchise to a group consisting of Labatt Breweries, Imperial Trust Limited and The Canadian Imperial Bank of Commerce. Both Labatt Breweries and Imperial Trust each controlled 45% of the team. The C.I.B.C. had the other 10% of the club. Imperial Trust was a holding company set up by the late R. Howard Webster, who was instrumental in the granting of the franchise in 1976. The Webster family still maintained their share of the ownership until selling their 45% to Labatt in November, 1991. The ownership then consisted of John Labatt Limited, 90% and Canadian Imperial Bank of Commerce, 10%. In June of 1995 John Labatt Limited was purchased by Interbrew S.A., Belgium's leading brewer.

In September of 2000, local ownership returned to the Toronto Blue Jays as Rogers Communications Inc. purchased 80% control of the franchise. John Labatt Limited (Interbrew) maintains a 20% interest while The Canadian Imperial Bank of Commerce relinquished their stake. In January of 2004 Rogers Communications Inc. acquired the remaining 20% of the Club. Rogers Communications Inc. now owns 100% of the Toronto Blue Jays Baseball Club.

On November 29, 2004, the Toronto Blue Jays reached an agreement with Sportsco International to acquire the former SkyDome. The purchase price for the stadium, now known as Rogers Centre, was approximately $25 million (CDN).

NATIONAL BASEBALL HALL OF FAME

Roberto Alomar

SECOND BASEMAN

On July 24, 2011, thousands of Blue Jays fans were on hand in the village of Cooperstown, New York, to officially welcome Roberto Alomar to the Baseball Hall of Fame. It was a proud moment for the star second basemen, who was just the third Puerto Rican inductee, and the first Hall of Famer to be inducted as a member of the Toronto Blue Jays.

"My time in Toronto was the best of my career. It was with Toronto that we won two World Series together. You guys embraced me from day one. You were with me through ups and downs and I am so proud to represent you here in Cooperstown as the first Toronto Blue Jay inducted into the Baseball Hall of Fame."

ROBERTO ALOMAR

In five seasons with the Blue Jays from 1991 through 1995, Alomar displayed sparkling defense while winning five straight Gold Gloves. He never hit less than .295 and finished third in the American League behind teammates John Olerud and Paul Molitor with a .326 average in 1993. His five-year mark of .307 gives him the highest lifetime average of any player in Blue Jays history. Over the course of his 17-year career, he hit .300 with a .371 on-base percentage. He totaled 2,724 hits, 1,508 runs, 504 doubles, 80 triples, 210 home runs, 474 stolen bases, and 1,134 RBI.

Tom Cheek

BLUE JAYS RADIO BROADCASTER

On July 27, 2013, Tom Cheek, was inducted into the National Baseball Hall of Fame as the 2013 recipient of the Ford C. Frick Award. This award is presented annually for excellence in broadcasting by the National Baseball Hall of Fame and Museum.

Cheek, who passed away on Oct. 9, 2005, called the first 4,306 regular-season and 41 postseason games in Toronto Blue Jays history, including the club's two World Series victories, from Toronto's first contest until June 2, 2004. His wife, Shirley Cheek, was on hand with her family to accept the 2013 Ford C. Frick award for broadcasting excellence on behalf of her husband.

"Tom Cheek was the voice of summer for generations of baseball fans in Canada and beyond," said Hall of Fame President Jeff Idelson. "He helped a nation understand the elements of the game and swoon for the summer excitement that the expansion franchise brought a hockey-crazed nation starting in the late 1970s. He then authored the vocal narrative of a team that evolved into one of the most consistent clubs of the 1980s and 1990s. We are thrilled to celebrate Tom's legacy with baseball broadcasting's highest honour."

His call of Joe Carter's World Series-winning home run in Game 6 of the 1993 Fall Classic – "Touch 'em all Joe! You'll never hit a bigger home run in your life." – quickly became embedded in the hearts of Blue Jays fans around the globe.

RETIRED NUMBERS

Roberto Alomar
SECOND BASEMAN

PAUL BEESTON

Frick Award, presented annually for excellence in broadcasting by the National Baseball Hall of Fame and Museum. Cheek, who passed away after a lengthy and brave battle with brain cancer on Oct. 9, 2005, was honoured as part of Hall of Fame Weekend 2013 July 26-29 in Cooperstown, N.Y. He stood as the radio voice of the Blue Jays and, as one fan wrote, the "soundtrack of summer in Toronto" since the club's inception through 2004. He broadcast 4,306 consecutive regular season games (including 41 postseason contests) from 1977 through the midway point of the 2004 season when he was called away from the booth first by the sudden passing of his father and later by his own personal health problems. The banner in the Level of Excellence bearing his name, first unveiled in formal ceremonies held on August 29, 2004, is adorned with the number 4,306. That pays tribute to his longevity as the iron-man of baseball broadcasting. A veteran of the radio industry, he first joined the Blue Jays prior to the club's inaugural season after spending three seasons working on Montreal Expos broadcasts. Tom had been calling the balls, strikes and home runs starting with Doug Ault's big blasts on Opening Day in 1977. 1991 ALL-STAR GAME

The 1991 All-Star Game was played at SkyDome (now Rogers Centre) in Toronto on Tuesday, July 9, 1991... It was the first time that the game had been held in Toronto and just the second time that it had been held outside of the United States (Montreal 1982)... Three Blue Jays players were selected to participate in the 63rd All-Star Game: second baseman Roberto Alomar, outfielder Joe Carter and pitcher Jimmy Key as well, manager Cito Gaston was a coach and Tommy Craig was named AL trainer... 52,382 fans came to SkyDome to watch the action unfold in person and millions more watched and listened to the mid-season classic on television and radio... 56 players from both the National and American Leagues came to Toronto to participate... Of those 56 players, 49 saw action as the American League defeated the National League by a 4-2 count... Toronto pitcher Jimmy Key was credited with the win in his second career All-Star Game appearance... Joe Carter was 1-1 with a run scored and Roberto Alomar went 0-4... It was the fourth consecutive win for the American League dating back to 1988.

The John Cerutti Award is given annually, as voted by the Toronto Chapter of the BBWAA, to a person associated with the day-to-day workings of Blue Jays' baseball who displays goodwill, cooperation and character, as exemplified by the late John Cerutti.

BOBBY MATTICK AND AL LAMACCHIA AWARDS

In 1996, the Blue Jays organization established two awards: the **Bobby Mattick Player Development Award** and the **Al LaMacchia Scouting Award**. The awards were created to acknowledge the dedication, success and work ethic of Blue Jays baseball operations personnel, attributes so aptly displayed by the awards' namesakes. The Bobby Mattick Award was named after the longtime baseball executive who had spent 25 years of his career with the Blue Jays. The late Bobby Mattick was responsible for the development of many of the young players who have gone through the Blue Jays system. As well as being Director of Player Development for many years he also managed the Major League Blue Jays for two seasons in 1980 and 1981.The Al LaMacchia Award was named after the veteran scout who spent 20 seasons with the Blue Jays. The late Al LaMacchia's scouting talents have been deeply etched in the Blue Jays short history. In 2003, the Blue Jays introduced a **Community Service Award**. In 2009, the Blue Jays began giving out an award for the **Pro-Scout of the Year Award**. On April 10, 2014, the Blue Jays created the **Howard Starkman Award** which will be presented annually to the Employee of the Year. It is granted annually to the Employee of the Year for the Toronto Blue Jays Baseball Club, who best exemplifies the values of integrity, innovation, accountability, team work and a passion for winning.

10 CONSECUTIVE HITS

The Toronto Blue Jays tied an American League record September 4, 1992 at SkyDome by collecting 10 consecutive hits in an eight-run second inning against the Minnesota Twins.

The Blue Jays tied the mark set by the Boston Red Sox on June 2, 1901 and equalled by the Detroit Tigers on September 20, 1983.

The Major League record of 12 straight hits was set by the St. Louis Cardinals in 1920 and equalled by the Brooklyn Dodgers in 1930.

With one out in the second, Toronto's Kelly Gruber reached on an infield single against Twins' starter Kevin Tapani. Singles by Pat Borders and Manuel Lee scored Gruber to cut Minnesota's lead to 3-1.

Devon White doubled in a run and Roberto Alomar followed with a two-run single to give the Blue Jays a 4-3 lead. Joe Carter tripled home Alomar and scored on Dave Winfield's single off reliever Tom Edens. Winfield was thrown out at second for the inning's second out, but John Olerud singled and scored on Candy Maldonado's triple to open a 7-3 cushion. Gruber's bloop double to right-center scored Maldonado which snapped the string of 10 straight hits.

Borders flied to center to end the inning.

Toronto's previous club record was nine consecutive hits, set against California on July 3, 1992.

CALL IT A DRAW

The Blue Jays have played three tie games in their history. The first one was on May 13, 1984 at Cleveland. With one out in the top of the 8th inning, the rains came and play could not resume with the score tied at 4-4. The game had to be completely replayed as part of a TWDH on August 15. The second occurrence was in Cleveland on August 26, 1986. Play was halted after nine innings due to rain with the scored tied at 6-6. The game was completely replayed as part of an August 27 TWDH. The third time was on April 26, 1998 after six innings. The Blue Jays and White Sox were tied at 5-5 when the rains came and cancelled the game in Chicago. The game was completely replayed on July 15 as part of a TWDH. Though the games were rained out, the statistics from the games were entered into the books.

STIEB'S NO-HITTER

SEPTEMBER 2, 1990 AT CLEVELAND — TORONTO 3, CLEVELAND 0

DAVE STIEB chalked up his first no-hitter and the first in BLUE JAYS history as he stopped the Cleveland Indians on a sunny Sunday afternoon at Cleveland Stadium before a crowd of 23,640.

The game ended as Cleveland's Jerry Browne whacked a fly to right field where JUNIOR FELIX put the squeeze on it.

Stieb had a season high nine strikeouts and walked four over his 122-pitch afternoon.

There were no tough plays and only a couple of well hit balls. Closest the Tribe came to a hit was KEN PHELPS pulling a liner about three feet foul to open the eighth inning.

The BLUE JAYS and STIEB got their offensive support from FRED McGRIFF who hit two solo home runs and from MANNY LEE who doubled home KENNY WILLIAMS in the fifth inning.

Stieb had previously gone 8.2 innings, three times, protecting no-hitters. He had back-to-back attempts in September 1988; on September 24, 1988 at Cleveland Stadium, JULIO FRANCO had a bad hop single over second baseman MANNY LEE's head. In his next start, against Baltimore at Exhibition Stadium, JIM TRABER looped a single over first baseman FRED McGRIFF's outstretched glove hand. Both no-hit bids were lost on 2-2 pitches. STIEB also had a perfect game for 8.2 innings on August 4, 1989 vs the Yankees at SkyDome. ROBERTO KELLY doubled to left to break it up.

HOME RUN TRIVIA

PLAYER WHO HOMERED IN THEIR FINAL MAJOR LEAGUE AT BAT

WILLIE AIKENS, April 27, 1985. He came to bat for last time, pinch-hitting at Texas in the ninth inning. Batting for Tony Fernandez against Tommy Boggs, Aikens crushed a dramatic game-tying, two-run homer and Toronto went on to win 9-8. Three days later, Aikens was "designated for assignment" winding up in the minor leagues.

TWO IN ONE INNING, BATTER

JOE CARTER was the first Blue Jay to hit two home runs in one inning. He had his two on Oct. 3, 1993 at Baltimore in the 2nd inning.

EDWIN ENCARNACION became just the 2nd player in club history to hit two home runs in one inning. He had his two on July 26 vs. Houston in the 7th inning.

40 HOME RUN SEASONS

In 1999 **CARLOS DELGADO** with 44 home runs and **SHAWN GREEN** with 42 home runs, became the first Blue Jays tandem to each hit 40 or more home runs in the same season. In 2000, the Blue Jays again had two players, **CARLOS DELGADO** and **TONY BATISTA**, each hit 40 plus homers in a season. Overall the Blue Jays have had eight players, done 11 times, hit 40 or more home runs in a season. **JOSE BAUTISTA** hit a Club record 54 in 2010 & became just the 2nd Jay to collect 40+ HR in back to back seasons, 1st since **CARLOS DELGADO** (1999-2000). **CARLOS DELGADO** is the only Blue Jay player to hit 40 or more home runs in a season three times (1999, 2000, 2003).

HOME RUNS BY THE FIRST TWO BATTERS OF GAME

DEVON WHITE and **ROBERTO ALOMAR** on August 18, 1991 at Detroit accomplished this feat for the first time in Blue Jays history. The second time occured on June 14, 2006 vs. Baltimore when **ALEX RIOS** and **FRANK CATALANOTTO** did so.

MOST PLAYERS WITH 30 OR MORE HOME RUNS

The 2000 Blue Jays had four players hit 30 or more home runs, which tied the ML record. It was just the second time the feat had been accomplished in the AL as the Anaheim Angels also had four players hit 30 plus homers earlier in the 2000 season.

20 HOME RUNS AT THE ALL-STAR BREAK

The 2000 Blue Jays became the first team in ML history to have four players hit 20 or more home runs at the All-Star Break. **CARLOS DELGADO** hit 28, **TONY BATISTA** hit 24, **RAUL MONDESI** hit 22 and **JOSE CRUZ Jr.** hit 20.

WALK-OFF HOME RUNS

The Toronto Blue Jays have recorded 63 total walk-off home runs in franchise history. On June 15, 2003 vs. the Chicago Cubs, OF Reed Johnson hit a leadoff home run and ended the game in the 10th inning with a walk-off home run. Johnson became just the 4th player in ML history to accomplish that feat. The most walk-off home runs hit in a single season by Toronto is six accomplished in 2011. Cecil Fielder is the only Blue Jay to hit a pinch hit walk-off home run accomplished back on September 4, 1987 vs. SEA (10th inning-solo HR). George Bell (Sept. 4, 1988 vs. Tex-9th inn) and Gregg Zaun (Sept. 6, 2008 vs. TB-13th inn) are the only two Jays to end a game on a walk-off grand slam.

CREDENTIALS: To obtain regular season media credentials to cover Toronto Blue Jays 2015 home games, please log on to http://credentials.mlb.com and fill out the appropriate information to apply. Credential requests for individual games must be submitted at least 48 hours in advance of the requested game date, subject to the discretion of the Toronto Blue Jays. We will respond to your request as soon as possible. If you are not contacted by someone from our office, please call at least one day in advance, to confirm that you have credentials before arriving at the ballpark. Credentials will be issued only to members of the working media 18 years of age and older. No spouses, guests or children of members of the media will be issued passes. Media passes are not transferable. Media passes must be visible at all times. Any violation of these guidelines will result in immediate revocation of the credential and future access. Only credentials issued by the Toronto Blue Jays, Major League Baseball or the BBWAA will be honoured.

SEASON CREDENTIAL APPLICATIONS: The Blue Jays will issue full-season credentials to those media members who cover the club on a regular basis throughout the season. Media will be asked to submit a written request for Blue Jays season media credentials on their official letterhead. All requests for season credentials must be received by Friday February 27, 2015.

CREDENTIAL PICKUP: Members of the media can pick up approved daily credentials inside Gate 9 at Rogers Centre, located on the south side of the building. Using the Gate 9 elevator, the media centre is located on the 300 level and the broadcast booths are located on the 400 level. Press Gate opens 4 hours prior to game time.

PHOTO CREDENTIALS: Credentials will be issued to those photographers on assignment for legitimate newsgathering organizations and those representatives of companies licensed by Major League Baseball. No freelance photographers will be granted credentials and all photographs taken are to be used for newsgathering purposes or official licensed products.

CLUBHOUSE ACCESS: The clubhouse is open to media with proper credentials for working purposes 3 ½ hours prior to each game and then closes at the start of batting practice. The clubhouse will re-open no later than 10 minutes following the final out of each game. Access to the visiting clubhouse is subject to the visiting club's guidelines.

FIELD ACCESS: Only credentialed media with field access to the playing field will be allowed onto the field prior to the game. No media will be allowed in fair territory or beyond the first and third base bags. All non-uniformed personnel must clear the field at the conclusion of visitors batting practice unless that individual had credentials expressly for in-game field privileges (photo passes, pre-game ceremonies, etc).

LIVE TRANSMISSIONS: Television and radio stations not holding broadcast rights for Blue Jays games will be allowed to transmit live reports prior to and after Blue Jays games. All live television shots will be done on the field. No live shots will be permitted from the clubhouses. No live transmissions inside the stadium by non-rights holders will be permitted while the rights holders are on the air or the game is in progress. Radio stations will be permitted to provide "scene setters" and score updates between innings but these reports may not continue once an inning is underway. Any violations of these policies will result in revocation of credentials.

AUTOGRAPHS: No member of the media may use their access to solicit autographs or equipment from players or staff of either participating team. Any autograph needs should be directed to the Communications Department. Failure to do so will result in the revocation of credential privileges and forfeiture of any items obtained.

NOTES & STATISTICS: Game information is available in the media centre two hours prior to first pitch. As well, this information is available at www.mlbpressbox.com. Media now have access to a secure site to obtain Blue Jays baseball information (notes, stats, releases, images, etc.) by applying for access to bluejaysmedia.com. Media can visit the site, submit basic information and then will be sent an email with their password for access. The site is a great resource for the media to utilize.

MEDIA GUIDES: Media Guides are available upon request in the media centre. As well, all MLB club media guides are available at www.mlbpressbox.com.

POST GAME PROCEDURES: Manager John Gibbons will be available to the media immediately after the game in the interview room across from the Blue Jays clubhouse. Post-game interviews with the manager and players, conducted by the media with deadlines should be related to game comments.

INTERNET/MEDIA WEBSITES: Due to the growth of online services and our limited number of press box seats, the Blue Jays will only issue daily credentials to those websites affiliated with a recognized news gathering organization.

FREELANCE: The Toronto Blue Jays do not credential freelance writers or photographers.

An exception can be made if, and only if, the writer or photographer is on assignment with a specific news organization. It is the responsibility of the requesting affiliation to confirm receipt, and subsequent approval/denial of access to the game requested.

LOST CREDENTIALS: Those members of the media who lose their Blue Jays Credential will be asked to make a $50.00 donation to the Jays Care Foundation prior to being issued a replacement credential.

TELEPHONES: As a courtesy, charge-a-call phones are available for media use in the press box. To order a dedicated phone line at a specific press box location, please contact Katrina LaCavalier at (416) 341-3037 or by email at katrina.lacavalier@rci.rogers.com.

INTERNET CONNECTION: We are pleased to offer both wireless and hard wire internet connections in the media centre and wireless connection in the photo dugouts. Please contact a member of the Communications Department for assistance.

MEDIA DINING: Located on the 300 Level of the Media Centre, there is a $12.00 CDN/US per meal. Media dining is open for service two-and-a-half hours prior to first pitch to accredited members of the media.

MAJOR LEAGUE BASEBALL GUIDELINES: Clothing should be appropriate for a business casual work environment. No flip-flops, no t-shirts bearing offensive, disrespectful or inappropriate messages and no ripped jeans are permitted. Clothing bearing MLB club logos should not be worn in press areas. Sheer or see-through clothing, excessively short skirts, dresses or shorts are not permitted. Tank tops, muscle shirts, one-shouldered or strapless shirts as well as clothing exposing bare midriffs or visible undergarments are not permitted.

2015 REGULAR SEASON CLUB/MEDIA REGULATIONS

The following are Major League Baseball's regulations for Club/Media Relations. They are to be observed by all parties:

1. All accredited press, radio and TV representatives shall have pre-game access to the clubhouse from three hours and 30 minutes prior to game time until one hour prior to game time, except that: (a) the media shall not have access to the clubhouse when the club is on the field for batting practice; and (b) the media may not return to the home clubhouse once the home club has taken batting practice. No Club may provide pre-game access prior to three hours and 30 minutes prior to game time. The media shall have access (outside of the clubhouse) to the home Club's manager, players or coaches after home batting practice to discuss developments (such as lineup changes, injuries, and workouts) that occur after the clubhouse closes.

2. Absent unusual circumstances that require a team meeting immediately following a game, the working media shall have access to both clubhouses no later than 10 minutes following the final out of each game (including doubleheaders and day/night split admission games). When such unusual circumstances exist, and such instances are expected to be rare, the working media shall have access to the clubhouse no later than 20 minutes following the final out of the game. The Commissioner's Office reserves the right to require access to the clubhouse 10 minutes following the final out of all games if the "team meeting" exception is abused.

3. The working media's access following a game shall be for a period no longer than one hour unless reasonable access to players is not provided during that time; provided, however, that card-carrying members of the Baseball Writers Association of America ("BBWAA") will have unlimited access after the post-game opening of the clubhouse. If reasonable access is not provided, the clubhouse must remain open. Members of the media, other than BBWAA members, may make arrangements with the club PR Director for extended access.

4. Media credentials are not transferable.

5. Clubhouses, the dugouts and the field are off-limits except to appropriate club, Commissioner's Office personnel and media bearing appropriate credentials. Club credentials are not to be issued to unauthorized personnel. The Commissioner's Office reserves the right to revoke inappropriately issued credentials.

6. Players will be available to the media before and after games for interviews. These periods should not be limited except for the pre-game period described in #1 above, and the post-game period described in #2 above. Upon request by the media, players who had key roles in the first game of a doubleheader are to be made available for a time between games.

7. The trainer's room and players' lounge may be off-limits to the media, but each club controls these areas, and it is vital these areas not be used as a sanctuary for players seeking to avoid the media. It is very important to our game that ALL players are available to the media for reasonable periods and it is the player's responsibility to cooperate.

8. Ropes or other restraining barriers are not permitted to bar the media.

9. A general code is to be observed by the media so uniformed personnel may do their work unimpeded. Media are to be allowed in foul territory, in an unrestricted manner, in an area that is to be not less than the territory between first and third bases, and which territory includes the area around the batting cage, except the dirt area around the batting cage.

10. Under no circumstances shall any club discriminate in any fashion against an accredited member of the media based upon race, creed, sex or national origin.

11. Physical abuse or threats directed to members of the media (and/or official scorers) by baseball personnel will not be tolerated. Disciplinary action, including fines and suspensions, will be considered in any cases that arise.

12. Visitors in the clubhouse, including accredited media members, should conduct themselves in a professional manner. There shall be no seeking of autographs, no touching or removing of equipment or personal items from lockers, and no sampling of players' food spreads. Clubhouses are work places. Clubhouse business should be conducted as expeditiously as possible with a minimum of disruption of regular game routines. Members of the media should not excessively linger in the clubhouse when not interviewing players. Members of the media who violate the code of conduct set forth in this paragraph shall be subject to sanctions, including the loss of their accreditation as provided for in paragraph 17 below.

While in the clubhouse, members of the media are expected to be doing business. Members of the media are expected to conduct themselves in a professional manner and to respect the privileges and environment of restricted areas and working press areas at all times. Any media member in violation of this conduct policy is subject to revocation of his or her privileges and may be subject to immediate ejection.

13. Live TV and/or radio interviews with uniformed personnel during the course of a game are not authorized or permitted, nor is attaching a microphone to any uniformed personnel permitted without approval from the Commissioner's Office. Microphones may not be placed in or adjacent to dugouts and/or bullpens in a manner that will allow uniformed personnel's remarks or conversations to be overheard during the course of a game without the prior approval of the Commissioner's Office.

14. Live telephone interviews are not allowed from the clubhouse or the field without prior approval of the club. Mobile telephones with digital photography capabilities are prohibited.

15. Telephones from both dugouts to the press box are to be maintained in working order for the purpose of providing information regarding special circumstances to the media during the course of a game. Explanations of injuries should be made as soon as possible (to both the media and fans in the stadium).

16. Any club whose personnel violate these regulations will be disciplined. Any member of the media who violates these regulations will lose his or her accreditation.

17. BBWAA members are not required to sign in for clubhouse or other restricted area access but may be logged in by club personnel, subject to individual club policies. Other accredited media may be required to sign in for clubhouse access, subject to individual club policies.

RECENT MEDIA MILESTONES

TOM CHEEK NAMED FORD C. FRICK AWARD WINNER FOR BROADCASTING EXCELLENCE

Tom Cheek, who called the first 4,306 regular-season and 41 postseason games in Toronto Blue Jays history was selected as the 2013 recipient of the Ford C. Frick Award, presented annually for excellence in broadcasting by the National Baseball Hall of Fame and Museum. Cheek, who passed away on Oct. 9, 2005, was honoured as part of Hall of Fame Weekend (July 26-29, 2013) in Cooperstown, NY. Cheek became the second Frick Award winner whose career came primarily with a Canadian team, following Dave Van Horne's selection as the Frick Award winner in 2011. Van Horne spent parts of four decades broadcasting Montreal Expos games. The Ford C. Frick Award is voted upon annually and is named in memory of the sportswriter, radio broadcaster, National League president and Baseball commissioner.

RICHARD GRIFFIN TO BE HONOURED WITH CANADIAN BASEBALL HALL OF FAME'S JACK GRANEY AWARD

Longtime Toronto Star baseball columnist and former Montreal Expos publicity director Richard Griffin has been named the winner of the Canadian Baseball Hall of Fame's 2014 Jack Graney Award.

The St. Marys, Ont.-based shrine presents this award annually to a member of the media who has made significant contributions to baseball in Canada through their life's work. Born in Kingston, Jamaica in 1954, Griffin fell in love with baseball when he began listening to World Series games on the radio on the north shore of the island in the early '60s. His parents moved to Montreal in 1963, where Griffin graduated with honours from Loyola High School before attending Concordia University and playing junior varsity basketball. Griffin secured his first job in baseball with the Expos while he was still a student at Concordia in 1973. He rose through the Expos' ranks to become director of publicity in 1978. After the 1994 season when the Montreal Expos moved to Washington, Richard decided to take his career in another direction, and on Feb. 13, 1995, he was hired as the Toronto Star's baseball columnist. He has now served in that capacity for the past 19 years and his work has become essential reading for baseball fans across the country.

BOB ELLIOTT WINS SPINK AWARD

Bob Elliott, who has been a positive influence on an entire country for the past 33 years as a writer, columnist and ambassador for baseball and Canada, was elected the 2012 winner of the J.G. Taylor Spink Award in balloting by the Baseball Writers' Association of America. This award is presented annually to a sportswriter "for meritorious contributions to baseball writing." Was honoured in July 2013 during the National Baseball Hall of Fame and Museum's induction weekend in Cooperstown, NY. Elliott received 205 votes from the 455 ballots cast by BBWAA members with 10 or more consecutive years' service in becoming the 63rd winner of the award since its inception in 1962 and named for the first recipient. Spink was a driving force of The Sporting News, known during his lifetime as the "Baseball Bible." The Canadian Baseball Hall of Fame announced earlier this year that Elliott will be one of five inductees at the 2015 ceremony on June 13.

ROGERS CENTRE

As the only sports and entertainment venue of its size and design in Canada, *Rogers Centre* has hosted some of the greatest music, sport, trade and community events of our time.

Rock stars, entertainers, athletes, religious figures and inspirational leaders have all delighted audiences under the dome.

Rogers Centre is one of the most dynamic and versatile entertainment centres in the world. No other venue has the diversity of events that *Rogers Centre* hosts on an annual basis across over 200 event days. Since its spectacular opening on June 3, 1989, *Rogers Centre* has achieved the highest honours in the stadium entertainment industry and currently is a leader in the fight for corporate environmental responsibility. Formerly known as SkyDome, the venue was renamed *Rogers Centre* on February 2, 2005.

Structurally, *Rogers Centre* remains the same today as it was when it opened in 1989 with the exception of several key cosmetic changes over the last few years. Widened concourses, updated and upgraded suites, new video and broadcast technology were just some of the areas touched during an extensive $20 million rejuvenation project.

One of the unique features of *Rogers Centre* is that it can be transformed to meet the needs of any event by converting between two primary modes; baseball and football. The 100 level seats sit on a railway track system that allows them to rotate between each mode within hours.

In addition, *Rogers Centre*'s **fully retractable roof** allows the venue to be an open-air facility with the ability to close pending weather conditions. This innovative roof function ensures that no event needs to be cancelled due to inclement weather. The roof system features a series of three moveable panels and one stationary panel which takes 25 minutes to open or close fully. The roof weighs 11,000 tons and covers an area of 339,343 square feet. The highest point stands 282 feet above field level.

Architects Rod Robbie and Michael Allen designed the building patenting its retractable roof system. Preparation of the site began in April 1986, with groundbreaking taking place in October of that same year. The last exterior concrete was poured in November 1988 and the first test of the moveable roof panels was performed in January 1989. More than 10,000 person-years of employment were created with the construction of *Rogers Centre*.

Rogers Centre is home to impressive technology including the **video and ribbon boards** located in the north end and around the circumference of the 300 Level. Purchased in 2005 from Daktronics, the screen is one of the industry's leading with PROSTAR® VIDEOPLUS which uses state of the art LED technology. Measuring 110 feet wide by 33 feet high, the video board is capable of projecting 4.3 trillion colours.

For the 5th time in the history of Rogers Centre the synthetic turf playing field has been upgraded for the start of the 2015 season. AstroTurf GameDay 3D field installed in 2010 has been upgraded to the AstroTurf 3DXtreme 60 product. The current field is a blend of monofilament and slit-film face fibres combined with a texturized thatch and reinforced backing that looks, feels and plays more like a natural grass field.

The new 3DXtreme surface remains a "Rollup System" however differs in the type of infill required between the turf fibres. Sand is no longer a component of the infill, moving to a large rubber crumb only. This in turn allows for a softer playing surface and lighter panels during conversion. Additional features of the new turf include; inlayed Toronto Blue Jays secondary logo behind home plate and inlayed coaches boxes along first and third base.

The field is comprised of 97 panels for the baseball configuration. The largest roll is 51 meters (167 feet) long by 4.5 meters (15 feet) wide with a roll diameter of 1.4 meters (4.5 feet). The new field will be used for baseball only.

With a symmetrical layout in baseball mode, the field measures 328' down the foul lines, 375' to the power alleys and 400' to dead centre field. The diamond is centered two degrees off perfect north with a 10 foot high outfield wall, fully padded for the protection of the players. The pitcher's mound is constructed on a fibreglass dish that is lowered and raised by a hydraulic system

ARAMARK - In the 7th year of a 10 year deal - provides *Rogers Centre* with club level concessions as well as manages the HSBC Club VIP Restaurant. A world class leader in professional services, Aramark brings tasty treats to fans at *Rogers Centre* which includes everything from traditional baseball fare to Asian delights and Mediterranean treats. In 2009, a new marche designed Muddy York Market (section 108) and the Roundhouse Carvery and Bar (Gate 8 - Level 100) were unveiled.

Conveniently located in the heart of Toronto's vibrant downtown community, at the base of the CN Tower and close to the Entertainment and Financial Districts, the stadium is easily accessible via the TTC or GO Transit. Also located at the stadium is the Renaissance Toronto Hotel, a 348-room hotel with 70 rooms overlooking the field.

FLORIDA AUTO EXCHANGE STADIUM

Located at the corner of Douglas Avenue and Beltrees Street in Dunedin, Florida. Florida Auto Exchange Stadium (re-named in 2011) has been the training home for the Toronto Blue Jays since the Club's first season in 1977 and home of the Dunedin Blue Jays of the Florida State League (A).

From 1977 to 1989 the Blue Jays played at Grant Field in Dunedin, which had a seating capacity of 3,417. In 1990 the City of Dunedin, at a cost of approximately 2.4 million, built a new stadium for the Blue Jays, Dunedin Stadium at Grant Field. The stadium was designed by the architect firm of Johnston Dana Associates and was built by Case Contracting Company of Plant City, Florida. With the construction the stadium saw an increase in the seating capacity from 3,417 to 6,106.

On September 8, 2000 the City of Dunedin and the Toronto Blue Jays reached an agreement to keep the Blue Jays in Dunedin for a minimum of 15 years pending approvals. Under the agreement major renovations would be made to Dunedin Stadium and a new minor league facility would be constructed. The $12.5 million renovation was shared between the State of Florida, Pinellas County, the City of Dunedin and the Toronto Blue Jays.

The renovations to Dunedin Stadium in February 2002 were designed by the architectural firm HOK Sports + Venue + Event and were built by J.A. Jones Construction. The changes to Dunedin Stadium included a new two-story building beyond the right field wall, which holds the Blue Jays clubhouse, training room and weight room on the ground floor with office space for the major league club on the second floor. The visiting clubhouse is now located on the third-base line. As well, the bleacher seats along the right-field foul line were removed and permanent seating installed. The dimensions of the Stadium increased from 315 feet to 327 feet. The capacity of the Stadium is 5,509.

DIMENSIONS

Left-field line	335 ft/102.1 m
Left-centre	375 ft/114.3 m
Centre field	400 ft/121.9 m
Right-centre	375 ft/114.3 m
Right-field line	327 ft/ 99.7 m

Fence – 16 feet high
Warning track – 20 ft/6.1 m
Capacity – 5,509

Construction on the minor league facility was completed for the 2003 season. The Bobby Mattick Training Center is located on the same grounds of the Englebert Complex. The facility features new clubhouses, offices, weight room, five full fields and a half field. Four of the fields are arranged in a cloverleaf pattern with an observation tower in the middle.

The largest ever spring exhibition game crowd was 6,218 on Tuesday March 27, 1990 for the game between the Blue Jays and the Kansas City Royals and on Wednesday March 13, 1985 for the Blue Jays and the New York Mets. The first ever Blue Jays game played at Grant Field was on March 11, 1977. The Blue Jays defeated the New York Mets by a score of 3-1.

ITEMS OF INTEREST

MLB BASIC AGREEMENT

I. TERM

A. Five-year contract

B. December 1, 2016 termination date

II. SCHEDULING, REALIGNMENT, AND POSTSEASON PLAY

A. Beginning no later than the 2013 Postseason, Postseason play will be expanded for the first time since 1995. A second Wild Card will be awarded to the Club in each league with the second-best overall record among Clubs that do not win a division. The two Wild Card Clubs will play a single Postseason game, the winner of which will advance to the Division Series. A decision on adding two Wild Cards for 2012 will be made no later than March 1, 2012.

B. The Houston Astros will move to the American League West starting in 2013, creating two leagues of 15 Clubs each.

C. Starting in 2013, Interleague games will be played throughout the entire schedule, rather than exclusively in specific Interleague segments.

D. Active Roster limits will be expanded to 26 for certain regular or split doubleheaders.

III. RESERVE SYSTEM INCLUDING AMATEUR PLAYERS

A. Free Agency

1. All eligible Players will become free agents as of the end of the World Series, with no election required, and the "quiet period" will be five days.
2. The tender date will be December 2 beginning in 2012.
3. Article XX(B) free agents signing minor league contracts who are not added to the Opening Day roster or unconditionally released 5 days prior to Opening Day shall receive an additional $100,000 retention bonus and the right to opt out on June 1.

B. Draft Pick Compensation

1. Starting in 2012, "Type A" and "Type B" free agents and the use of the Elias ranking system will be eliminated.
2. The current system of draft pick compensation will be replaced with the following system:
3. Only Players who have been with their Clubs for the entire season will be subject to compensation.
4. A free agent will be subject to compensation if his former Club offers him a guaranteed one-year contract with a salary equal to the average salary of the 125-highest paid Players from the prior season. The offer must be made at the end of the five-day free agent "quiet period," and the Player will have seven days to accept the offer.
5. A Club that signs a player subject to compensation will forfeit its first round selection, unless it selects in the top 10, in which case it will forfeit its second highest selection in the draft.
6. The Player's former Club will receive a selection at the end of the first round beginning after the last regularly scheduled selection in the round. The former Clubs will select based on reverse order of winning percentage from the prior championship season.

C. Salary Arbitration Eligibility

1. The percentage of players with two years of service who will be arbitration eligible will be increased from the top 17% to the top 22% in terms of service.
2. All players tied at the 22% cutoff will be eligible for arbitration.

D. Minimum Salaries

1. Major League will increase from $414,000 in 2011 to: $480,000 in 2012; $490,000 in 2013; and $500,000 in 2014; COLA in 2015 and 2016.
2. Minor League will increase from $67,300 in 2011 to: $78,250 in 2012; $79,900 in 2013; and $81,500 in 2014; COLA in 2015 and 2016.

E. Rule 4 Draft

1. The draft will continue to be conducted in June, but the signing deadline will be moved to a date between July 12 and July 18 depending on the date of the All-Star Game.
2. Drafted players may only sign Minor League contracts.
3. Signing Bonus Pools

A. Each Club will be assigned an aggregate Signing Bonus Pool prior to each draft. For the purpose of calculating the Signing Bonus Pools, each pick in the first 10 rounds of the draft has been assigned a value. (These values will grow each year with the rate of growth of industry revenue.) A Club's Signing Bonus Pool equals the sum of the values of that Club's selections in the first 10 rounds of the draft. Players selected after the 10th round do not count against a Club's Signing Bonus Pool if they receive bonuses up to $100,000. Any amounts paid in excess of $100,000 will count against the Pool.

B. Clubs that exceed their Signing Bonus Pools will be subject to penalties as follows:

Excess of Pool Penalty (Tax on Overage/Draft Picks)

0-5% 75% tax on overage

5-10% 75% tax on overage and loss of 1st round pick

10-15% 100% tax on overage and loss of 1st and 2nd round picks

15%+ 100% tax on overage and loss of 1st round picks in next two drafts

4. Proceeds generated by the tax will be distributed to payee Clubs under the Revenue Sharing Plan that do not exceed their Signing Bonus Pools. Draft picks that are forfeited by Clubs will be awarded to other Clubs through a lottery in which a Club's odds of winning will be based on its prior season's winning percentage and its prior season's revenue. Only Clubs that do not exceed their Signing Bonus Pools are eligible for the lottery.

5. Competitive Balance Lottery

A. For the first time, Clubs with the lowest revenues and in the smallest markets will have an opportunity to obtain additional draft picks through a lottery.

B. The ten Clubs with the lowest revenues, and the ten Clubs in the smallest markets, will be entered into a lottery for the six draft selections immediately following the completion of the first round of the draft. A Club's odds of winning the lottery will be based on its prior season's winning percentage.

C. The eligible Clubs that did not receive one of the six selections after the first round, and all other payee Clubs under the Revenue Sharing Plan, will be entered into a second lottery for the six picks immediately following the completion of the second round of the draft. A Club's odds of winning the lottery will be based on its prior season's winning percentage.

D. Picks awarded in the Competitive Balance Lottery may be assigned by a Club, subject to certain restrictions.

E. Top 200 prospects will be subject to a pre-draft drug test and will participate in a pre-draft medical program.

F. International Talent Acquisition

1. By December 15, 2011, the parties will form an International Talent Committee to discuss the development and acquisition of international players, including the potential inclusion of international amateur players in a draft or in multiple drafts.
2. For the 2012-13 signing season, each Club will be allocated an equal Signing Bonus Pool.
3. For each signing period after 2012-13, Clubs will be allocated different Signing Bonus Pools, based on reverse order of winning percentage the prior championship season (i.e., the Club with the lowest winning percentage the prior season shall receive the largest Pool).
4. Bonus Regulation of International Amateur Players

A. Beginning in the 2013-2014 signing period (July 2, 2013 - June 15, 2014), Clubs may trade a portion of their Signing Bonus Pool, subject to certain restrictions.

B. Clubs that exceed their Signing Bonus Pools will be subject to the following penalties in the 2012-2013 and 2013-2014 signing periods:

Excess of Pool Penalty (Tax on Overage/Draft Picks)

0-5% 75% tax

5-10% 75% tax and loss of right to provide more than one player in the next signing period with a bonus in excess of $500,000.

10-15% 100% tax and loss of right to provide any player in the next signing period with a bonus in excess of $500,0000.

15%+ 100% tax and loss of right to provide any player in the next signing period with a bonus in excess of $250,000.

C. The penalties for exceeding the Signing Bonus Pool will increase beginning with the 2014-2015 signing period if a draft or drafts is not agreed to by July 2014.

5. All international amateur players must register with the Scouting Bureau to be eligible to sign, and the top 100 prospects will be subject to a drug test.
6. The Office of the Commissioner and the Union will form a joint committee to assist international players with their transition to educational/vocational programs after their baseball careers are over

IV. REVENUE SHARING

A. The net transfer value of the Revenue Sharing Plan will be the same as the current plan. Net transfer amounts will continue to grow with revenue and changes in disparity.

B. The fifteen Clubs in the largest markets will be disqualified from receiving revenue sharing by 2016. The revenue sharing funds that would have been distributed to the disqualified Clubs will be refunded to the payor Clubs, except that payor Clubs that have exceeded the CBT threshold two or more consecutive times will forfeit some or all of their refund.

C. The Commissioner's Discretionary Fund will increase from $10 to $15 million per year.

V. COMPETITIVE BALANCE TAX

A. The threshold level of $178 million in 2011 will remain unchanged in 2012 and 2013. The threshold will increase to $189 million for 2014, 2015, and 2016.

B. The tax rate will decrease to 17.5% for Clubs that exceed the threshold for the first time, and the rate will increase to 50% for Clubs that exceed the threshold for the fourth time or more. Rates will remain the same for Clubs that exceed the threshold for the second time (30%) and third time (40%). The CBT rates in 2012 will be subject to a transition rule.

C. The Competitive Balance Tax structure under the 2006 Basic Agreement will be modified so that a team that moves below the threshold will be treated as going over for the first time when it next exceeds the threshold.

VI. DEBT SERVICE RULE

A. The Debt Service Rule will be maintained, but the default EBITDA multiplier has been lowered from ten to eight, and from fifteen to twelve for Clubs incurring stadium-related debt in the first ten years of a new or renovated stadium.

B. Debt of a Club's owner or related party will be covered by the Debt Service Rule if the debt is serviced, in whole or in part, using Club funds or assets.

C. Debt Service Rule certification process for new ownership has been modified.

VII. BENEFIT PLAN

A. Players will continue to receive the maximum allowable pension benefit under IRS rules.

B. Owners will make a $184.5 million annual contribution.

C. Waiting periods for life insurance and disability insurance for active players have been eliminated.

D. Pension benefits and life insurance benefits for certain classes of retired players and widows have been improved.

E. The payments to the former non-vested players that began in 2011 will continue for the term of the Basic Agreement.

F. Access to health coverage has been improved for international players and their families.

G. Health care benefits have been improved while managed care initiatives have been introduced to help with costs.

VIII. HEALTH AND SAFETY

A. Players, managers, and coaches will be prohibited from using smokeless tobacco during televised interviews and Club appearances. In addition, at any time when fans are permitted in the ballpark, players, managers and coaches must conceal tobacco products (including packages and tins), and may not carry tobacco products in their uniforms or on their bodies. Individuals who violate the policy will be subject to discipline. The parties also agreed upon an extensive program of education and public outreach regarding the dangers of smokeless tobacco.

B. The parties agreed on a program of mandatory evaluation by a trained professional for Players who are suspected of an alcohol use problem (including Players who are arrested for DWI or other crimes involving alcohol), and for players who are arrested for crimes involving the use of force or violence.

C. The parties agreed that no new players will be permitted to use a low density maple bat during the term of the agreement.

D. By 2013, all Major League players will wear a new batting helmet developed by Rawlings that protects against pitches thrown at 100 miles per hour. The new version of the helmet is significantly less "bulky" than prior versions of the more protective helmet.

E. The concussion policy that was implemented prior to the 2011 season has been improved and will remain in effect for the duration of the Basic Agreement.

IX. DRUG PROGRAM

Commencing in Spring Training 2012, all players will be subject to hGH blood testing for reasonable cause at all times during the year. In addition, during each year, all players will be tested during Spring Training. Starting with the 2012-2013 off-season, players will be subject to random unannounced testing for hGH. TYPES OF WAIVERS

- ***OUTRIGHT WAIVERS (OR)*** — this type of irrevocable waiver needs to be secured in order to Outright a player. An outright is to assign a player to a club's minor league affiliate without the right of recall. In other words, to remove a player from the 40-man roster. Also a player who has exhausted his options must clear this type of waiver if the club wishes to assign him to minor league affiliate. An outright waiver secured is good for entire waiver period. These waivers are needed from the 31st day of the season through August 31.
- ***SPECIAL WAIVERS (SPL)*** — also irrevocable, the special waiver is used for the same purpose as an outright waiver. One difference is these waivers are used from September 1 to the 30th day of the following season. A secured special waiver is good for seven days, as opposed to being good for an entire period like the outright waiver.
- ***UNCONDITIONAL RELEASE WAIVER (UR)*** — this irrevocable waiver is used for the purpose of an unconditional release of a player. At the time of the request the player shall be removed from all player limits. A player may be informed of the clubs intention to release him on a weekend, but the actual waiver process won't begin until the following business day. During the time a player is on an unexpired waiver request bulletin he may discuss employment with other clubs but may not contract with another club. If the player has been claimed, he must be informed the end of the two-day period that his contract has been claimed. The player has five days from the time he was notified of the claim to either accept the assignment or terminate his contract. If the player terminates his contract he forfeits termination pay. Termination pay may vary depending on the time of year.
- ***MAJOR LEAGUE WAIVER (ML)*** — this type of revocable waiver is common and it is used to either option a player to a club's minor league affiliate or assign a player outright to another Major league club from August 1st to the end of the regular season. A player claimed on this type of waiver may be pulled back by the requesting club. This is known as a waiver withdrawal. Generally a club needs to secure this type of waiver in order to option a player if the date of the assignment is three or more years after the date the player first reported to a Major League club during a championship season. One year shall be deducted from the above three-year period for each season in which the player may have been charged with an option prior to first reporting to a Major League club during a championship season. A claimed player pulled back by the requesting club may not be assigned and cannot be placed on waivers again (except for UR waivers) for 30 days. When ML waivers are asked for a second time in the same period the request shall state that it is irrevocable.

ASSIGNMENT OF PLAYER CONTRACTS:

- Ten and Five Rule: Players with ten or more years of Major League service (MLS), the last five of which have been with one Club, shall not be assignable to another Major League Club without the Player's written consent.
- When a player with five or more years of MLS is asked by his club to consent to an assignment to the National Association, he has three choices:
  1. Accept the assignment, 2. Refuse the assignment, 3. Elect Free Agency
- Any player who has at least three years of MLS and whose contract is assigned outright to a National Association club may elect, in lieu of accepting such assignment, to become a free agent.

- Any player whose contract is assigned outright to a National Association club for second time or any subsequent time in his career may elect, in lieu of accepting such assignment, to become a free agent. Unlike a player with five or more years of MLS, this type of player does not have the option of refusing the assignment.

OPTIONAL ASSIGNMENT: To assign a player from the active 25-man roster to a minor league affiliate with the right of recall. The player remains on the 40-man roster.

RECALL: To add a player from your reserve limit (40-man roster) to the 25-man roster. This player must serve at least 10 days on option in order to be recalled unless he is replacing a player placed on the disabled list.

OUTRIGHT ASSIGNEMENT:

- MAJOR TO MINOR: to assign a player to the Club's minor league affiliate without the right of recall. The player is removed from the 40-man roster.
- MAJOR TO MAJOR: to assign a player from one Club's 40-man roster to another Club's 40-man roster. This transaction is more commonly known as a trade.

DESIGNATED FOR ASSIGNMENT:

- When a club that has reached it 40 and /or 25 man roster limit, either reinstates a player, or acquires a new player (through a selection, a signing, a trade or a waiver claim); they must designate a player for assignment or release. If they are going to assign the player, they must do it within 10 days.

WAIVER WITHDRAWALS:

- Waiver request may only be withdrawn on players who have been claimed on a Major League Waiver wire. If a player is claimed on a Major League Waiver wire, the request must be withdrawn within two business days or the contract will be awarded to the eligible club. During the two-day waiver withdrawal period the requesting Club can try to negotiate a deal with the eligible Club and make a waiver claim award under the terms of that deal.

WAIVER PRICES:

- Major League, Special and Outright Waivers are $20,000 or $25,000, while Unconditional Waivers are $1.00.

FREE AGENCY (RE-ENTRY): The 1985 collective bargaining agreement brought about changes in the free agency process. Following is the appropriate information:

Six years of Major League Service continues to be required to be eligible for free agency.

The Re-Entry Draft has been abolished.

A player has 15 days from the first day following the World Series to file for free agency.

If club and player proceed to arbitration, maximum salary cut rules do not apply.

Player who accepts former club's offer to arbitrate is not subject to repeater rights limitations.

SALARY ARBITRATION: Beginning in 1987, three years Major League Service required for eligibility.

Beginning in 1987, maximum cut rules do not apply if in immediately preceding year player won arbitration increase of over 50%.

Three-man panels heard cases instead of single arbitrators in 50 percent of the cases in 1998, 75 percent in 1999 and 100 percent in 2000 ongoing.

Beginning in 1987, arbitrator is officially instructed to give particular attention for purposes of comparison to salaries of players with Major League Service no more than one annual service group higher than player who is arbitrating.

Beginning in 1991, a player with at least 2 but less than 3 years of Major League Service, shall be eligible for salary arbitration if: a)he has accumulated at least 86 days of service during the immediately preceeding season or b)he ranks in the top 17 percent in total service in the class of players who have at least 2 but less than 3 years of ML service, however accumulated, but with at least 86 days of service accumulated during the immediately preceeding season.

FIRST-YEAR PLAYER DRAFT (AMATEUR DRAFT) — REVISED FOR 1987: One selection meeting shall be conducted each year in June to be known at the "Summer Meeting".

Major League Clubs shall select in reverse order of their league standing at the close of the preceeding season (determined by the percentage of games it won). No club may transfer to another club its right to select.

A club may not transfer its Negotiation Right to any other club.

DISABLED LISTS:

15-Day: The player must remain off the active roster for a minimum of 15 calendar days, starting on the day following the player's last game.

60-Day: Same rules apply, however, this may only be used when the team's 40-man roster is full. Any player placed on the 60-day disabled list after August 1 may not play for the remainder of the season, including any post-season game.

EMERGENCY DISABLED LIST: Maximum number of players on list at one time-no limit. Minimum period of inactivity-sixty (60) calendar days. Players placed on this list after August 1st shall remain there for the balance of the season. This list may only be used when a club is at the maximum limit of 40 players.

TERMINATION PAY: One full season's pay if player released opening day or later. Thirty days pay for player who is released on the 16th day before opening day or earlier. If player is released after that 16th day prior to opening day he receives one additional day's pay (over the 30 days) for each additional day.

SERVICE TIME AND ROOKIES

MAJOR LEAGUE YEAR: 172 days constitute a full year in the major leagues.

MAJOR LEAGUE SERVICE:

- is credited for each day the player appears on an active roster or major league disabled list or suspended list.
- in the case of a player called up from the minor leagues, is credited beginning with the date he physically reports.
- in the case of a major league player who is traded and reports in the normal course, service is not interrupted.
- in the case of a player sent down to the minor leagues, is credited through the date of the assignment.
- in the case of a player who is unconditionally released, is credited through the date waivers were requested.
- in the case of a player designated for release or assignment (MLR 2), is credited after the designation, through the date of the actual assignment or the request for unconditional release waivers.
- for a player who appears on his club's opening day roster, is credited as of the earliest scheduled opener, without regard to the actual opening date of his own club.
- is credited at the rate of 172 days per "year", though the season is actually 182 days long.
- is not credited during any period or periods of optional assignment totalling 20 days or more during a single season.

ROOKIE QUALIFICATION: A player shall be considered a rookie unless, during a previous season or seasons, he has (a) exceeded 130 at bats or 50 innings pitched in the major leagues; or (b) accumulated more than 45 days on the active roster of a major league club or clubs during the period of a 25-man limit (excluding time in military service and time on the disabled list).

THE GAME

REGULATION GAME: A regulation game consists of nine innings unless extended because of a tie score or shortened because (1) the home team needs none of its half of the ninth or only part of it; or (2) because the umpire-in-chief calls the game after five completed innings. A regulation game may be less than five innings if the home team is ahead after the first of the fifth, or takes the lead or ties the score while at bat in the fifth.

TIE GAME: A regulation game that is called by the umpire-in-chief when both teams have the same number of runs is a tie game. Individual player performances are official and are

entered in the records, but the game does not count in the league standings and may be re-scheduled at a later date.

NIGHT GAME: In the American League any game scheduled to start after 5:00 p.m. (i.e. 5:01 p.m., or later), will be considered a night game. If a game is scheduled to start at 5:00 p.m., and is delayed by rain or for any other reason, it will be considered a day game.

However, both games of a twi-night doubleheader shall be considered night games. When afternoon and night games are played on the same date and separate admissions are charged, they will be counted as one day and one night game, and will not be included in doubleheader statistics.

SUSPENDED GAME RULE:

Rule 4.12 SUSPENDED GAMES

(a) A league shall adopt the following rules providing for completion at a future date of games terminated for any of the following reasons:

(1) A curfew imposed by law;

(2) A time limit permissible under league rules;

(3) Light failure or malfunction of a mechanical field device under control of the home club. (Mechanical field device shall include automatic tarpaulin or water removal equipment.);

(4) Darkness because of any law, the lights may not be turned on.

(5) Weather, if the game is called while an inning is in progress and before it is completed, and one of the following situations prevails:

(i) The visiting team has scored one or more runs to tie the score, and the home team has not scored.

(ii) The visiting team has scored one or more runs to take the lead, and the home team has not tied the score or retaken the lead.

(b) Such games shall be known as suspended games. No game called because of a curfew, weather, or a time limit shall be a suspended game unless it has progressed far enough to have been a regulation game under the provisions of Rule 4.10. A game called under the provisions of 4.12(a)(3) or (4) shall be a suspended game at any time after it starts.

(c) By amending NOTE to read as follows:

NOTE: Weather and similar conditions—4.12(a) (1 through 5)—shall take precedence in determining whether a called game shall be a suspended game. A game can only be considered a suspended game if stopped for any of the five (5) reasons specified in Section (a). Any legal game called due to weather with the score tied (unless situation outlined in 4.12(a)(5)(i) prevails) is a tie game and must be replayed in its entirety.

(d) A suspended game shall be resumed and completed as follows:

(1) Immediately preceding the next scheduled single game between the two clubs on the same grounds;

or

(2) Immediately preceding the next scheduled doubleheader between the two clubs on the same grounds, if no single game remains on the schedule, or

(3) If suspended on the last scheduled date between the two clubs in the city, transferred and played on the grounds of the opposing club, if possible;

(i) Immediately preceding the next scheduled single game, or

(ii) Immediately preceding the next scheduled double-header, if no single game remains on the schedule.

(4) If a suspended game has not been resumed and completed on the last date scheduled for the two clubs, it shall be a called game.

(e) A suspended game shall be resumed at the exact point of suspension of the original game. The completion of a suspended game is a continuation of the original game. The lineup and batting order of both teams shall be exactly the same as the lineup and batting order at the moment of suspension, subject to the rules governing substitution. Any player may be replaced by a player who had not been in the game prior to the suspension. No player removed before the suspension may be returned to the lineup. A player who was not with the club when the game was suspended may be used as a substitute, even if he has taken the place of a player no longer with the club who would not have been eligible because he had been removed from the lineup before the game was suspended.

SUSPENDED GAME: For the purpose of this rule, all performances in the completion of a suspended game shall be considered as occurring on the original date of the game.

SCHEDULE: The American League schedule for the 2015 season will be the 18th year to incorporate Inter-League Play.

PLAYING RULES: Spectator Interference—batter, runner and other runner(s) will be placed at the base(s) which the umpires feel they would have reached with no interference.

Time—ball is dead, play suspended. This sign used when ball is foul, umpire then pointing to foul territory.

Batted Balls Fair or Foul—if fair, umpire points to fair territory —if foul he raises arms overhead (as in "Time" above) and then turns and points to foul territory, and vocally calls "foul".

BAT AROUND: When all nine batters in a team's lineup come to bat during an inning.

DESIGNATED HITTER RULE: A hitter may be designated to bat for the pitcher in any spot in the batting order in any game without affecting the status of the pitcher. The designated hitter must be selected and be included on the lineup cards presented to the umpire-in-chief prior to the game. Failure to do so precludes the use of a designated hitter for that game.

The designated hitter is "locked" into the batting order but may be removed for a pinch-hitter or pinch-runner, who in turn becomes the designated hitter. The designated hitter, while still in the game, may be used defensively but the pitcher then assumes the batting order of the replaced defensive player, thus terminating the designated hitter role.

The designated hitter is eligible for all American League batting titles.

The designated hitter named in the starting lineup must come to bat at least one time, unless the opposition changes pitchers.

SCORING RULE ON PINCH-HITTERS: A player shall be considered a pinch-hitter only if he enters the game as a substitute batter and then only on his first time at bat which must be before he becomes a fielder. If the team bats around and a pinch hitter comes up a second time in the inning in which he first appeared he will not be considered a pinch hitter during that second time up.

A substitute hitter for a designated hitter is both a pinch hitter and a designated hitter on his first time at bat. On subsequent trips to the plate he is a designated hitter only.

DOCTORED BAT: A batter is out for illegal action when he uses or attempts to use a bat that, in the umpire's judgment, has been altered or tampered with in such a way to improve the distance factor or cause an unusual reaction on the baseball. This includes bats that are filled, flat-surfaced, nailed, hollowed, grooved or covered with a substance such as paraffin, wax, etc. No advancement on the bases will be allowed and any out or outs made during a play shall stand. In addition to being called out, the player shall be ejected from the game and may be subject to additional penalties as determined by his League President. (Rule 6.06d)

STATISTICS AND STREAKS

BATTING CHAMPION QUALIFICATIONS: A batting champion must have 502 or more actual plate appearances. (The equivalent of 3.1 appearances for each of the 162 scheduled games.). If, however, there is any player with fewer than the required number of plate appearances whose average would be the highest if he were charged with the required number of official at bats, then the player shall be awarded the batting championship.

EARNED-RUN AVERAGE CHAMPION QUALIFICATIONS: To win the earned-run average championship a pitcher must pitch at least as many innings as the number of games scheduled for each club in his league that season and have the lowest earned-run average.

FIELDING CHAMPION QUALIFICATIONS: The individual fielding champions shall be the fielders with the highest fielding average at each position, provided:

(1) A catcher must have participated as a catcher in at least one-half the number of games scheduled for each club in his league that season;

(2) An infielder or outfielder must have participated at his position in at least two-thirds of the number of games scheduled for each club in his league that season;

(3) A pitcher must have pitched at least as many innings as the number of games scheduled for each club in his league that season. **EXCEPTION:** If another pitcher has a fielding average as high or higher, and has handled more total chances in a lesser number of innings, he shall be the fielding champion.

DETERMINING EARNED-RUNS: The determination of earned-run is as follows:

"An earned-run is a run for which the pitcher is held accountable. In determining earned-runs, the inning should be reconstructed without the errors and passed balls; and the benefit of the doubt should always be given to the pitcher in determining which bases would have been reached with errorless play."

Until 1969, the reliever could not be charged with an earned-run if he entered the game after the side could have been retired but for an error, no matter how many runs he subsequently gave up in that inning. Now, runs, scored by batters who reach base off the reliever are charged as earned on that pitcher's record. They are not, however, charged as earned against the team as a whole. Therefore, a discrepancy may occur between the total earned-runs charged against a team and the sum total of the earned-runs charged against the individual pitchers of that team.

DETERMINING THE MAGIC NUMBERS: Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.

DETERMINING BATTING AVERAGE: Divide the number of at bats into the number of hits.

DETERMINING EARNED-RUN AVERAGE: Multiply the number of earned runs by nine; take the number and divide it by the number of innings pitched.

DETERMINING SLUGGING PERCENTAGE: Divide the total bases of all safe hits by the total times at bat. (At bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction.)

DETERMINING ON-BASE PERCENTAGE: Add the total of hits, walks and hit by pitches and divide by the total of at-bats, walks, hit by pitches and sacrifice flies.

DETERMINING FIELDING AVERAGE: Divide the total putouts and assists by the total of putouts, assists and errors.

DETERMINING WINNING PERCENTAGE: Divide the number of games won by the total games won and lost.

CREDITING A SAVE: A pitcher shall be credited with a save when he meets all three of the following conditions:

(1) He is the finishing pitcher in a game won by his club, and

(2) He is not the winning pitcher, and

(3) He qualifies under one of the following conditions:

(4) (a) He enters the game with a lead of no more than three runs and pitches for at least one inning, or

(b) He enters the game regardless of the count, with the potential tying run either on base, at bat, or on deck (that is, the potential tying run is either already on base or is one of the first two batsmen he faces), or

(c) He pitches effectively for at least three innings.

TOUGH SAVE: The reliever comes into the game with the tying runs on base and saves the game. Example: Reliever comes in with a 5-3 lead, two outs and the bases loaded in the ninth inning.

BLOWN SAVE: When a relief pitcher enters a game in a save situation and departs or the game ends with the save situation no longer in effect because he has given up the lead, he is charged with a "blown save." (If the save opportunity still exists when he leaves the game, he is not charged with a save opportunity. If the pitcher has not given up the lead when he leaves the game, though the save opportunity may no longer exist, he is not charged with a save opportunity.

HITTING STREAKS: A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.

CONSECUTIVE-GAME HITTING STREAKS: A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit. The player's individual consecutive-game hitting streak shall be determined by the consecutive games in which the player appears and is not determined by his club's games.

CONSECUTIVE-GAME PLAYING STREAK: A consecutive-game playing streak shall be extended if the player plays one-half inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.

GLOSSARY OF MINOR LEAGUE TRANSACTION TERMS

Minor League players are generally under contract to a Major League Club and are assigned to play for a Minor League Club (1) that the Major League Club owns or (2) that has a Player Development Contract with the Major League Club. Major League Clubs may freely assign their Minor League players among their affiliated Minor League Clubs, subject to certain league age and service requirements.

The following glossary describes some terms used in Minor League transactions. References to "players" in the glossary apply only to Minor League players.

Active List: The roster of players eligible to participate in a game: For Class AAA and AA Clubs, the Active List is 24 players from opening day through the 30th day of the championship season and from August 10 through the end of the championship season, and is 23 players from the 31st day of the championship season until August 10; for Class A Clubs, the Active List is 25 players from opening day through the end of the championship season; for Short-Season A Clubs, the Active List is 30 players, only 25 of whom may be in uniform and eligible to play in a given game, from opening day through the end of the championship season; for Rookie Clubs, the Active List is 35 players, only 30 of whom may be in uniform and eligible to play in a given game, from opening day through the end of the championship season.

Disabled List: An injured Minor League Player may be placed on this list during the championship season only. A player on the Disabled List must remain there for a minimum period of seven days before the player can be reinstated to the Active List. A player on the Disabled List does not count against a Club's Active List limits, but does count against a Club's Reserve List limits.

Disqualified List: A player who violates a player contract or reservation may be placed on this list. There is no minimum number of days the player must remain on the Disqualified List before the player can be reinstated to the Active List. There is no minimum number of days the player must remain on the Ineligible List before the player can be reinstated to the Active List. A player on the Ineligible List does not count against a Club's Active List limits or its Reserve List limits.

Loan: A Minor League player's contract may be loaned from one organization to another, so long as the new Club is also under the jurisdiction of the Commissioner of Baseball. The Assignor Club retains contractual rights to the player. The player must be returned to the assignor Club at the end of the championship season. Loans of players are most commonly made to Mexican League Clubs.

Rehabilitation Assignment: A Minor League Player on either the Disabled List or Emergency Disabled List may be sent to a Short-Season A or Rookie classification Minor League Club to play on a rehabilitation assignment, while the player remains on the Disabled List or Emergency Disabled List of the player's original Club. A rehabilitation assignment may not exceed 20 days for non-pitchers or 30 days for pitchers. A player on a Minor League rehabilitation assignment does not count against the Active List or Reserve List limits of the Club for which the player is playing on the rehabilitation assignment.

Release: A player's contract is terminated and the player becomes a free agent.

Reserve List: The roster of players eligible for placement on the Active List: For Class MA, the Reserve List limit is 38 players; For Class AA, the Reserve List limit is 37 players; and For Class A, Short-Season and Rookie, the Reserve List limit is 35 players.

Restricted List: A player who fails to report or fails to sign a contract with the Club to which the player is reserved may be placed on the Restricted List. There is no minimum number of days the player must remain on the Restricted List before the player can be reinstated to the Active List. A player on the Restricted List does not count against a Club's Active List limits or its Reserve List limits.

Suspended List: A player may be placed on the Suspended List for misconduct or rule or contract violations. There is no minimum amount of days the player must be on the Suspended List before the player can be reinstated to the Active List. SUMMARY OF MLB-MLBPA JOINT DRUG PROGRAM MODIFICATIONS

MARCH 28, 2014

TESTING

- Increased the number of in-season random urine collections from 1,400 to 3,200 per season, an increase of more than 100 percent, which is in addition to the 1,200 mandatory random urine collections during the season, and the 1,200 mandatory urine collections during Spring Training.
- Increased the number of random urine collections conducted during the off-season from 250 to 350.
- Increased the number of random blood collections for human Growth Hormone to 400 per year (championship season and off-season), in addition to the 1,200 blood collections conducted during spring training.
- Increased the number of follow-up tests for players who violate the Program with a performance-enhancing substance to six (6) additional unannounced urine collections, and three (3) additional unannounced blood collections, in every year of the player's career (exception for players whose suspension is reduced pursuant to the mitigation provision).
- In addition to the IRMS analysis that the Montreal Laboratory currently conducts as part of its standard operating practices, IRMS testing will be increased so that each season all Players are guaranteed to have at least one urine specimen randomly subjected IRMS analysis. Coupled with the longitudinal profiling program instituted by the parties in 2013, these changes will significantly enhance the Program's ability to detect the improper use of synthetic testosterone.
- All Foreign Professionals (as defined in Major League Rule 3(a)(1)(C)), and players who have not been covered by the Major or Minor League Drug Programs for one calendar year or longer, will be required to submit to a urine and blood collection prior to being permitted to sign a contract.

DISCIPLINE

- Discipline for a positive test result for a performance-enhancing substance will be increased as follows: first violation: 80-game suspension; second violation: 162-game/183 days of pay suspension; third violation: permanent suspension.
- If a Player proves by clear and convincing evidence that he bears no significant fault or negligence for the presence of the performance-enhancing substance in his test result, the Arbitration Panel may reduce the mandated penalty subject to the following: (i) the Panel may not reduce the penalty for a first-time violation to fewer than 40 games; (ii) the Panel may not reduce the penalty for a second-time violation to fewer than 80 games; and (iii) the Panel may not reduce the penalty for a third-time violation. The Panel shall have no authority to reduce a penalty if the positive test result was for Testosterone; human Growth Hormone (hGH); Gonadotropins; Selective Estrogen Receptor Modulators; Anti-Estrogens, Boldenone; Nandrolone; and Stanozolol.
- A player who is suspended for a violation involving a performance-enhancing substance (whose suspension is not reduced under the mitigation provision) will be ineligible to participate in the Postseason of the season in which his suspension commenced, even after the completion of his suspension.
- A player who is suspended for a violation involving a performance-enhancing substance (and whose suspension is not reduced under the mitigation provision) is ineligible to receive an automatic full share of the Player's Pool provided to players on Clubs who participate in the Postseason and is also ineligible to vote on the distribution of the Player's Pool. (The players may vote to provide such a player with a cash award in lieu of a full share subject to certain limitations on the amount).
- Discipline for a criminal conviction involving a performance-enhancing substance will be increased as follows: first offense: 80-game suspension; second offense: 162-game/183 days of pay suspension; third offense: permanent suspension.

PLAYER STRENGTH AND CONDITIONING

- Clubs will provide to players NSF-Certified for Sport supplements year-round, both at home, on the road and during the off-season. The parties will develop a Program to ensure that players always have access to a wide variety of NSF-Certified for Sport supplements based on the recommendations of its Strength and Conditioning Advisory Committee.
- The parties will provide additional technological resources to players to provide information regarding supplements and prescription or over-the-counter medications.
- The parties will form a joint committee chaired by Tim Maxey, the parties' Joint Strength and Conditioning Coordinator, to establish minimum standards for home and visiting weight rooms.

PROHIBITED SUBSTANCES

- The parties will add DHEA to the list of Prohibited Substances, which in 2014 will be subject to follow-up testing for a first violation; a 25-game suspension for a second violation; an 80-game suspension for a third violation; and up to a permanent suspension for a fourth violation.
- The parties are still finalizing other additions to the Prohibited Substance list, which they expect to complete by next week.

CONFIDENTIALITY/GRIEVANCE PROCESS

- Strengthened the provisions of the Program protecting the confidentiality of drug testing results, information generated in investigations regarding alleged violations of the Program, and information relating to arbitrations conducted under the Program, among other things.

AC JOINT – Acromioclavicular joint; joint of the shoulder where acromion process of the scapula and the distal end of the clavicle meet; most shoulder separations occur at this point.

ADDUCT – Movement of any extremity towards the midline of the body. This action is achieved by an adductor muscle.

ANTERIOR – In front of; the front surface of.

ANTERIOR CRUCIATE LIGAMENT (ACL) – A primary stabilizing ligament within the center of the knee joint that prevents hyperextension and excessive rotation of the joint. A complete tear of the ACL necessitating reconstruction could require up to 12 months of rehabilitation.

ANTI-INFLAMMATORY – Any agent which prevents inflammation, such as aspirin or ibuprofen.

ARTHROGRAM – X-ray technique for joints using air and/or dye injected into the affected area; useful in diagnosing meniscus tears of the knee and rotator cuff tears of the shoulder.

ARTHROSCOPY – A surgical examination of the internal structures of a joint by means of viewing through an arthroscope. An arthroscopic procedure can be used to remove or repair damaged tissue or as a diagnostic procedure in order to inspect the extent of any damage or confirm a diagnosis.

BONE SCAN – An imaging procedure in which a radioactive-labeled substance is injected into the body to determine the status of a bone injury. If the radioactive substance is taken up by the bone at the injury site, the injury will show as a "hot spot" on the scan image. The bone scan is particularly useful in the diagnosis of stress fractures.

CARTILAGE – Smooth, slippery substance preventing two ends of bones from rubbing together.

CAT SCAN – Use of a computer to produce a cross-sectional view of the anatomical part being investigated from x-ray data.

CHARLEY HORSE – A contusion or bruise to any muscle resulting in intramuscular bleeding.

CONCUSSION – Jarring injury of the brain resulting in dysfunction. It can be graded as mild, moderate or severe depending on loss of consciousness, amnesia and loss of equilibrium.

CONTUSION – An injury to muscle and tissues cause by a blow from a blunt object.

DEBRIDEMENT – Removal of non-healthy tissues and foreign material from a wound or burn to prevent infection and permit healing.

DELTOID MUSCLE – Muscles at the top of the arm, just below the shoulder, responsible for shoulder motions to the front, side and back.

DISC – A flat, rounded plate between each vertebrae of the spine. The disc consists of a thick fibering which surrounds a soft gel-like interior. It functions as a cushion for the spinal column.

FEMUR – Thigh bone; largest bone in the body.

FIBULA – Smaller of the two bones in the lower leg; runs from the knee to the ankle along the outside of the lower leg.

FRACTURE – Breach in continuity of a bone. Types of fractures include simple, compound, comminuted, greenstick, incomplete, impacted, longitudinal, oblique, stress or transverse.

GADOLINIUM MRI – The chemical gadolinium is injected into the joint being studied so as to enhance the diagnosis of the structure under investigation.

GLENOID – Cavity of the scapula into which the head of the humerus fits to form the shoulder girdle.

GRADE ONE INJURY – A mild injury in which ligament, tendon, or other musculoskeletal tissue may have been stretched or confused, but not torn or otherwise disrupted.

GRADE TWO INJURY – A moderate injury when musculoskeletal tissue has been partially, but not totally torn which causes appreciable limitation in function of the injured tissue.

GRADE THREE INJURY – A severe injury in which tissue has been significant, and in some cases totally, torn or otherwise disrupted causing a virtual total loss of function.

GROIN – Junction of the thigh and abdomen; location of muscles that rotate, flex and adduct the hip.

HEMATOMA – Tumor-like mass produced by an accumulation of coagulated blood in a cavity.

HYPEREXTENSION – Extreme extension of a limb or body part.

IMPINGEMENT SYNDROME – Pinching together of the supraspinatus muscle and other soft tissue in the shoulder. The most common (throwing) arm injury, which represents many pathologies and generall involves supraspinatus overuse.

INFLAMMATION – The body's natural response to injury in which the injury site might display various degrees of pain, swelling, heat, redness and/or loss of function.

LABRUM (Labrum Glenoidule) – The cartilage of the glenoid cavity in the shoulder. A lip-edge or lip-like structure.

LATERAL – To the outside of the body.

LIGAMENT – Band of fibrous tissue that connects bone to bone; or bone to cartilage and supports and strengthens joints.

MAGNETIC RESONANCE IMAGING (MRI) – Imaging procedure in which a radio frequency pulse causes certain electrical elements of the injured tissue to react to this pulse and through this process a computer display and permanent film establish a visual image. MRI does not require radiation and is very useful in the diagnosis of soft tissue, disc, and meniscus injuries.

MEDIAL – To the inside of the body.

MEDIAL COLLATERAL LIGAMENT (MCL) – Ligament of knee along the medial aspect that connects the femur to the joint.

MENISCUS – Crescent shaped cartilage, usually pertaining to the knee joint; also known as "cartilage." There are two menisci in the knee, medial and lateral. These work to absorb weight within the knee and provide stability.

METACARPALS – Five long bones of the hand running from the wrist to the fingers.

METATARSALS – Five long bones of the foot, running from the ankle to the toes.

POSTERIOR – At the back part, or rear of the body.

POSTERIOR CRUCIATE LIGAMENT (PCL) – A primary stabilizing ligament of the knee that provides significant stability and prevents displacement of the tibia backward within the knee joint. A complete tear of this ligament necessitating reconstruction could require up to 12 months of rehabilitation.

QUADRICEP MUSCLES "QUADS" – A group of four muscles of the front thigh that run from the hip and form a common tendon at the patella; they are responsible for knee extension.

ROTATOR CUFF – Comprised of four muscles in the shoulder area that can be irritated by overuse. The muscles are the supraspinatus (most commonly injured), infraspinatus, teres minor and subscapularis.

ROTATOR CUFF IMPINGEMENT SYNDROME – A microtrauma or overuse injury caused by stress. The four stages are: 1) tendenitis with temporary thickening of the bursa and rotator cuff 2) fiber dissociation in the tendon with permanent thickening of the bursa and scar formation 3) a partial rotator cuff tear of less than 1 cm and 4) a complete tear of 1 cm or more.

SHIN SPLINT – A catch-all syndrome describing pain in the shin that is not a fracture or tumor, and cannot be defined otherwise.

SPRAIN – Injury resulting from the stretch or twist of the joint and causes various degrees of stretch or tear of a ligament or other soft tissue at the joint.

STRAIN – Injury resulting from a pull or torsion to the muscle or tendon that causes various degrees of stretch or tear to the muscle or tendon tissue.

STRESS FRACTURE – A hair-line type of break in a bone caused by overuse.

SYNOVITIS – Inflammation of the synovial lining of a joint.

TENDINITIS – Inflammation of the tendon and/or tendon sheath, caused by chronic overuse or sudden injury.

TENDON – Tissue that connects muscle to bone.

TIBIA – Larger of the two bones of the lower leg and is the weight-bearing bone of the shin.

ULNAR NERVE – Nerve in the elbow commonly irritated from excessive throwing.

ULTRASOUND – An electrical modality that transmits a sound wave through an applicator into the skin to the soft tissue in order to heat the local area for relaxing the injured tissue and/or disperse edema.
